BILL TAYLOR
MERITS HEALTH PRODUCTS, INC.
730 N.E. 19TH PLACE
CAPE CORAL, FL 33909

Dear Mr. Taylor :

Subject : Notice of Noncompliance
Construction Completion Certification
MERITS HEALTH PRODUCTS CO LTD AT PONDELLA COMMERCE PARK
Permit No. 36-03032-P, Application No. 000209-5
Lee County, S08/T44S/R24E

District staff periodically reviews permits for compliance and it has been noted that the above referenced permit has not been converted from the construction phase to the operation phase.

Before the operation phase of a permit can become effective, rules 40E-4.351, 40E-4.361 and 40E-4.381, Florida Administrative Code, and Sections 373.117 and 373.419, Florida Statutes, require you, as permittee, to have a Florida licensed Professional Engineer submit a signed and sealed certification. This certification shall indicate that the system has been constructed substantially in accordance with the approved plans and specifications, and any deviations from the approved plans and specifications will not prevent the system from functioning in compliance with the plans and specifications approved by the District. This will satisfy your permit's conditions regarding submittal of an engineer's certification for construction completion of the permitted surface water management system.

Enclosed is a District approved construction completion certification Form #0881. This enclosure, or an equivalent, is to be completed, signed and sealed by a Florida licensed Professional Engineer and returned to this office. Reference benchmarks and their locations should be identified so District staff can make periodic inspections.

Please submit the above or notify District staff of your intentions within thirty (30) days of the date of this letter. Should you have any questions, please contact the undersigned at the Lower West Coast Service Center at (239) 338-2929 ext. 7760.
