Re: Lakeside Center
ERP Permit No. 50-02049-S
Application No. 180822-3
Project acreage revision

To whom it may concern:

I would like to revise the project acreage for permit modification application No. 180822-03. The Lakeside Center is a 22.80-acre shopping center. The proposed modification consist of the demolition of +/-52,820 SF of commercial retail and the construction of 27,750 SF of grocery store and 5,000 SF of retail building. The project also consists of the reconfiguration of a portion of the existing parking lot and drainage infrastructure. As a result, the total affected project area is only 4.9 acres.

Please accept this letter modification for the permit application for the Lakeside Center project. Should you have any questions, please do not hesitate to contact me at 954-202-7000.

Sincerely,
