requirements of the Act for the purpose of maintaining the age restrictions set forth in Section 16.1 hereof.

4.7 County Consent for Amendments Affecting Gated Community Matters. The right of Declarant to withdraw portions of DEL WEBB OASIS shall not apply to any Lot that has been conveyed to an Owner unless that right is specifically reserved in the instrument of conveyance or the prior written consent of the Owner is obtained. Except as provided above, the withdrawal of any portion of DEL WEBB OASIS shall not require the consent or joinder of any other party (including without limitation, the Association, Owners, or any Lenders). Association shall have no right to withdraw land from DEL WEBB OASIS.

5.4 Effect of Filing Supplemental Declaration. Any Supplemental Declaration filed pursuant to this Section 5 shall be effective upon recording in the Public Records, unless otherwise specified in such Supplemental Declaration. On the effective date of the Supplemental Declaration, any additional property subjected to this Declaration shall be assigned voting rights in the Association and Assessment liability in accordance with the provisions of the Supplemental Declaration and this Declaration.

5.5 Future Development Tracts. The Plat may from time to time include Parcels designated as Future Development Tracts or similar term indicating that such Parcels are set aside for future development (each a “**Future Development Tract**”). At Declarant’s sole discretion, prior to the Community Completion Date, all or any portion of any Future Development Tract may be replatted into Lots or Common Areas, withdrawn from the provisions and applicability of this Declaration or dedicated to the County or any other governmental agency. Upon replatting of such Future Development Tract into Lots or Common Areas, such Parcels shall automatically convert to and be treated as Lots and Common Areas, respectively, under this Declaration for all purposes without the need for (i) recordation of a Supplemental Declaration or Amendment to this Declaration to confirm or effect same or (ii) the joinder and consent of the Association or any Owners to same. Future Development Tracts shall not be subject to Assessments as provided under Section 17 until same have been platted into Lots.

5.6 County Approval. Notwithstanding the foregoing or anything else in this Declaration to the contrary, County approval shall be required for all (i) additions to the DEL WEBB OASIS authorized under this Declaration, (ii) deletions and withdrawals of property from DEL WEBB OASIS authorized under this Declaration and (iii) amendments and/or supplements to this Declaration that relate in any way to the Gated Community Infrastructure or the requirements of the Gated Community Ordinance.

6. Dissolution.

6.1 Generally. In the event of the dissolution of the Association without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Areas in the place and stead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association. In the event the Association is dissolved, other than incident to a merger or consolidation, the SWMS shall be conveyed to SFWMD or the County and, if not accepted by such agency, the SWMS shall be dedicated to a similar non-profit corporation. If the Association ceases to exist, all Owners shall be jointly and severally responsible for the operation and maintenance of the SWMS in accordance with the requirements of the Permit and the Gated Community Ordinance, unless and until an alternate entity assumes responsibility.

6.2 Applicability of Declaration after Dissolution. In the event of dissolution of the Association, DEL WEBB OASIS and each Lot therein shall continue to be subject to the provisions of this Declaration, including without limitation, the provisions respecting the requirements of the Gated Community Ordinance and Assessments specified in this Declaration. Each Owner shall continue to be personally obligated to the successors or assigns of the

Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Areas. The provisions of this Section only shall apply with regard to the maintenance, operation, and preservation of the Gated Community Infrastructure and those portions of DEL WEBB OASIS that had been Common Areas and continue to be so used for the common use and enjoyment of the Owners.

7. Binding Effect and Membership.

7.1 Term. Subject to the Declarant's right to amend this Declaration prior to Turnover and the Association's right to amend this Declaration after Turnover, the covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the Owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the Public Records, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty-five (25) year period, or each successive ten (10) year period, an instrument signed by eighty percent (80%) of the total Voting Interests agreeing to terminate this Declaration has been recorded in the Public Records. Notwithstanding the preceding sentence, prior to any such termination of the Declaration, ownership of the portion of the SWMS owned by the Association and the responsibility for the operation and maintenance of the SWMS must be transferred to and accepted by an entity in accordance with the rules and regulations of SFWMD and any such transfer and acceptance must be approved in writing by SFWMD. Provided, however, that no such agreement to terminate the covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change. Termination of the Declaration shall not relieve the Declarant or Owners from the requirements of the Gated Community Ordinance as long as the community remains gated.

7.2 Transfer. The transfer of the fee simple title to a Home or Lot, whether voluntary or by operation of law, terminating an Owner's title to that Home or Lot, shall terminate the Owner's rights to use and enjoy the Common Areas and shall terminate such Owner's Membership in the Association. An Owner's rights and privileges under this Declaration are not assignable separately from a Lot. The record title owner of a Lot is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Lot shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration. The transferor of any Lot shall remain jointly and severally liable with the transferee for all obligations pursuant to this Declaration that accrue prior to the date of such transfer, including without limitation, payment of all Assessments accruing prior to the date of transfer.

7.3 Membership and Voting Rights.

7.3.1 In addition to the Declarant, upon acceptance of title to a Lot, and as more fully provided in the Articles and Bylaws, each Owner shall be a Member of the

Association. Membership rights are governed by the provisions of this Declaration, the Articles and Bylaws. Membership shall be an appurtenance to and may not be separated from the ownership of a Lot. Declarant rights with respect to Membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting Membership:

7.3.1.1 Class A Members. Class A Members shall be all Owners. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be Members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.1.2 Class B Members. Declarant shall be the Class B Member and shall be entitled to ten (10) votes for each Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of this Declaration or any Parcel designated as a Future Development Tract (or similar term) or set aside for future development under the Plat, Declarant shall be entitled to fifteen (15) votes per acre or fraction thereof contained within such Parcel owned by Declarant, until such time as the Parcel is platted into Lots, whereupon Declarant shall be entitled to ten (10) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one (1) vote for each Lot owned. "**Turnover**" shall mean the transfer of control and operation of the Association by the Declarant to Owners. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. At the Turnover meeting, Owners shall elect a majority of the Directors. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the Association shall notify in writing all Class A Members of the date, location, and purpose of the Turnover meeting. As required by Section 28.6 of this Declaration, Turnover shall not occur sooner than the point in time at which certificates of occupancy have been issued for seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS, and must occur no later than the point in time at which certificates of occupancy have been issued for 90% of the Homes located therein (the "**Turnover Window**"). Within three (3) months after the happening of the event triggering Turnover, but in all cases within the Turnover Window, the Declarant shall conduct a Turnover meeting for the purpose of turning over the Association to the Owners and electing new Directors of the Association. For purposes of this Section 7.3.1.2, an event triggering Turnover shall mean the earliest of the following events (provided that same allows for completion of Turnover within the Turnover Window):

7.3.1.2.1 Twenty (20) years from the date of recording of this Declaration among the Public Records of Orange County, Florida, provided certificates of occupancy have been issued for at least seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS.

7.3.1.2.2 The date which is three (3) months before the date when Declarant anticipates that certificates of occupancy will be issued for ninety percent (90%) of the maximum number of Homes that may ultimately be constructed in DEL WEBB OASIS.

7.3.1.2.3 At an earlier time determined by Declarant in its sole discretion, provided certificates of occupancy have been issued for at least seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS;

If an event triggering Turnover occurs prior to the Turnover Window, Turnover shall automatically be extended to occur within three (3) months of the date certificates of occupancy have been issued for seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS.

Notwithstanding any provision of this Section 7.3.1.2 to the contrary, Turnover shall not occur prior to the date on which certificates of occupancy have been issued for seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS and shall occur prior to or on the date on which certificates of occupancy have been issued for ninety percent (90%) of the Homes to be constructed in DEL WEBB OASIS.

7.3.1.3 Declarant Election of Director. Notwithstanding the foregoing, from and after Turnover, for so long as Declarant holds at least five percent (5%) of the total number of Lots planned for DEL WEBB OASIS out for sale, Declarant, at Declarant's sole option, may elect one (1) member of the Board. Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to Occupancy of the Home, designate one or more persons who are to be the Occupants of the Home and register such persons with the Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated Occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration, the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

8. Paramount Right of Declarant. Notwithstanding anything to the contrary herein, but subject to the terms of Section 28 hereof and the Gated Community Ordinance, prior to the Community Completion Date, Declarant shall have the paramount right to dedicate, transfer,

and/or convey (by absolute conveyance, easement, or otherwise) portions of DEL WEBB OASIS for various public purposes or for the provision of telecommunications systems, or to make any portions of DEL WEBB OASIS part of the Common Areas. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS, INCLUDING RECREATIONAL FACILITIES, OR TO MODIFY, RELOCATE OR ELIMINATE COMMON AREAS OR RECREATIONAL FACILITIES AT ANY TIME, WITHOUT NOTICE AND AT ITS DISCRETION.

9. Common Areas. Common Areas shall include the following Tracts dedicated to the Association on the Phase 1 Plat:

[INSERT FROM PHASE 1 PLAT]

Common Areas shall also include all easements dedicated to the Association on the Plat, by this Declaration or by separate instrument, including, without limitation, all Private Drainage Easements, Conservation Easements, Landscape Easements and Drainage Swale Easements [Confirm].

9.1 Prior to Conveyance. Prior to the conveyance of the Common Areas to the Association as set forth in Section 9.4 herein, any portion of the Common Areas owned by Declarant shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended, as Declarant in its sole discretion deems appropriate. During such period, Declarant shall own, operate, and administer the Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. The current conceptual plans and/or representations, if any, regarding the composition of the Common Areas are not a guarantee of the final composition of the Common Areas. No party should rely upon any statement contained herein as a representation or warranty as to the extent of the Common Areas to be constructed by Declarant and owned and operated by the Association as part of DEL WEBB OASIS. Declarant, so long as it controls Association, further specifically retains the right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion without notice. Notwithstanding the foregoing, the rights of Declarant with respect to the portions of the Common Areas comprising Gated Community Infrastructure shall be subject to Section 28 of this Declaration and the Gated Community Ordinance.

9.2 Construction of Common Areas Improvements. Declarant anticipates it will construct, at its sole cost and expense, certain improvements as part of the Common Areas as Declarant determines in its sole discretion, which may include, without limitation, a community recreational center with pool, cabana, clubhouse, lockers, tennis courts, pickle ball courts, card room, fitness center, meeting rooms, café, restaurant and bar (together the “**Community Amenity**”), nature/walking trail, a dog park, passive parks [Confirm Recreational Facilities] and other parks and recreational facilities (collectively, the “**Recreational Facilities**”) for the use and benefit of Declarant, Owners, Lessees and their respective (as applicable) Immediate Family

Members and Guests and invitees as provided in and subject to the Governing Documents. Declarant shall be the sole judge of the composition of any Common Area improvements comprising the Recreational Facilities. Prior to the Community Completion Date, Declarant reserves the absolute right to construct additional Common Area improvements (including Recreational Facilities) within DEL WEBB OASIS, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries, facilities and improvements now or then part of the Common Areas (including Recreational Facilities). Declarant is not obligated to, nor has it represented that it will construct any Common Area improvements or Recreational Facilities. Declarant is the sole judge of the Common Area improvements and Recreational Facilities, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property (e.g., furniture), color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by Declarant.

9.4 Conveyance. Notwithstanding anything to the contrary in this Section 9.4 (including all sub-Sections hereof), conveyance of any portion of the Common Area constituting Gated Community Infrastructure shall be made in accordance with and subject to the conditions and requirements of the Gated Community Ordinance and Section 28 of this Declaration.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements, or conveyed to the Association by quitclaim deed or other instrument of conveyance as determined by the Declarant in its sole and absolute discretion. Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership, operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein, and Association shall, and does hereby, indemnify and hold Declarant and the Declarant Indemnified Parties harmless on account thereof. Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. Association shall accept any and all transfer of permits and development agreements from Declarant or any other permittee, of any permit or development agreement required by a governmental agency in connection with the development or operation of DEL WEBB OASIS, including, without limitation, the Permit, as modified and/or amended. Association shall cooperate with Declarant or any other permittee of such permits, as modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits and development agreements to the Association and the Association's assumption of all obligations thereunder. EXCEPT AS PROVIDED IN THE FOLLOWING SENTENCE, THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE

ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF SUCH COMMON AREAS PERSONAL PROPERTY, EQUIPMENT AND APPURTENANCES BEING CONVEYED. NOTWITHSTANDING THE FOREGOING, ALL GATED COMMUNITY INFRASTRUCTURE WILL BE CONVEYED TO THE ASSOCIATION IN COMPLIANCE WITH THE GATED COMMUNITY ORDINANCE AND THE REQUIREMENTS OF SECTION 28 OF THIS DECLARATION. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an irrevocable ingress and egress easement in favor of each Owner granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 matters reflected on the Plat;

9.4.2.2 perpetual non-exclusive easements in favor of Declarant and its successors and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of Declarant and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.3 the terms and conditions of the Governing Documents and all restrictions, easements, covenants and other matters of record;

9.4.2.4 in the event that Association believes that Declarant shall have failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to Declarant detailing the alleged failure or defect. Once the Association has given written notice to Declarant pursuant to this Section, the Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 8 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association acknowledges and agrees that Association's failure to give the notice and/or otherwise comply with the provisions of this Section will irretrievably damage Declarant. Notwithstanding the foregoing, the rights and obligations of Declarant and Association with respect

to the Gated Community Infrastructure shall be subject to Section 28 of this Declaration and the Gated Community Ordinance; and

9.4.2.5 a reservation of right in favor of Declarant (so long as Declarant owns any portion of DEL WEBB OASIS) to require that Association re-convey all or a portion of the Common Areas by quitclaim deed in favor of Declarant in the event that such property is required to be owned by Declarant for any purpose, including without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, Association shall be deemed to have granted to Declarant an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.4.3 Conveyance of Recreational Tracts and Facilities. Notwithstanding anything in this Declaration to the contrary, Declarant shall convey the Recreational Tracts and the Recreational Facilities constructed thereon to the Association free and clear of all liens promptly after Declarant completes construction of the Recreational Facilities and obtains a certificate of occupancy for the Recreational Facilities on same. In connection with Declarant's construction of the Recreational Facilities, Declarant shall obtain all necessary licenses, permits and approvals for the use and occupancy of the Recreational Facilities from the County and all other governmental authorities. Upon conveyance of the Recreational Tracts to the Association, the Association shall be responsible for the operation, maintenance, repair and replacement of the Recreational Tract and Recreational Facilities located on same as Common Areas and Common Area improvements pursuant to this Declaration.

9.5 Operation After Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, and subject to the approval rights of the SFWMD and the County under Section 25.1.7 below with respect to Common Areas containing or affecting the SWMS, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover, (a) the approval of a majority of the Board; and (b) the written consent of Declarant, or (ii) from and after the Turnover, approval of (x) a majority of the Board; and (y) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members. No such conveyance or transfer of any Common Areas to a third party by the Association shall relieve the Association of its obligations and responsibilities under the Gated Community Ordinance.

9.6 Paved Common Areas. The Common Areas may contain certain paved areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces, including but not limited to streets, alleyways, driveways, parking areas, pathways, bicycle paths, and sidewalks forming a part of the Common Areas, if any. Although pavement appears to be a durable material, it requires maintenance. Association shall have the right, but not the obligation, to arrange for a periodic inspection of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses of the Association. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed

by a company licensed to perform the work and shall be an Operating Expense of the Association. Notwithstanding the foregoing, any portion of such paved surfaces and improvements which constitute Gated Community Infrastructure shall be inspected, maintained, repaired and/or resurfaced in accordance with the conditions and requirements of Section 28 of this Declaration and the Gated Community Ordinance.

9.7 Delegation. Once conveyed to the Association, the Common Areas and improvements located thereon shall at all times be under the complete supervision, operation, control, and management of the Association. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Declarant, its affiliates and/or subsidiaries shall have the right and option to manage Association at all times prior to Turnover. Owners and Association acknowledge that it is fair and reasonable to have Declarant, its affiliates and/or subsidiaries manage the Association prior to Turnover. Further, in the event that Common Area is created by easement, Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 Nonexclusive Use. Except as provided herein, the Common Areas shall be used and enjoyed by the Owners on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, Members of the Association) entitled to use those portions of the Common Areas as provided in this Declaration and subject to the Rules and Regulations applicable with respect to same. Prior to the Community Completion Date, Declarant, and thereafter, Association has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners, Telecommunications Providers, and/or Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of Declarant. Thereafter, any such agreement shall require the approval of the majority of the Board, which consent shall not be unreasonably withheld or delayed.

9.8.3 Water Levels and Water Quality in Retention Areas, Lakes and Water Bodies. NEITHER THE DECLARANT NOR THE ASSOCIATION MAKE ANY

REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER QUALITY OR WATER LEVELS IN ANY OF THE RETENTION AREAS OR ANY LAKES, PONDS, CANALS, CREEKS, MARSH AREA OR OTHER WATER BODIES WITHIN, ADJACENT TO OR AROUND DEL WEBB OASIS; PROVIDED, FURTHER, NEITHER THE DECLARANT NOR THE ASSOCIATION SHALL BEAR ANY RESPONSIBILITY FOR OR BE OBLIGATED TO ATTEMPT TO ADJUST OR MODIFY SUCH WATER QUALITY OR WATER LEVELS SINCE SUCH WATER QUALITY AND WATER LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER, RAINFALL FLUCTUATIONS, SEDIMENTS AND CONSTITUENTS IN STORMWATER RUNOFF AND OTHER FACTORS THAT ARE BEYOND THE CONTROL OF THE DECLARANT AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER QUALITY AND WATER LEVELS OF ALL SUCH RETENTION AREAS, LAKES, PONDS, CANALS, CREEKS, MARSH AREA OR OTHER WATER BODIES MAY VARY. THERE IS NO GUARANTEE BY DECLARANT OR ASSOCIATION THAT WATER QUALITY OR WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT; AT TIMES WATER LEVELS MAY BE MUCH HIGHER THAN OTHER TIMES. DECLARANT AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY RETENTION AREAS, LAKES, PONDS, CANALS, CREEKS, MARSH AREA OR OTHER WATER BODIES WITHIN, ADJACENT TO OR AROUND DEL WEBB OASIS.

9.8.4 Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association.

9.8.5 Assumption of Risk. Without limiting any other provision herein, each Owner, for themselves, their Lessees and for the Immediate Family Members, Guests and invitees of such Owner or their Lessees, and each Member of the general public accessing or using any Common Areas (regardless of whether such access or use is permitted under this Declaration or otherwise) accepts and assumes all risk and responsibility for noise, liability, injury, death or damage connected with use or occupancy of any portion of such Common Areas including, without limitation: (i) noise from maintenance equipment; (ii) use of pesticides, herbicides and fertilizers; (iii) view restrictions and impairment caused by the construction of any structures and/or the maturation of trees and shrubbery; (iv) reduction in privacy caused by the removal or pruning of shrubbery or trees within DEL WEBB OASIS; (v) illness, health or safety hazards resulting from contact with or ingestion of any plant life within any portion of DEL WEBB OASIS, including thorns, conditions causing skin irritation, rashes or other illnesses, diseases or injuries resulting from contact with or ingestion of any such plant life; (vi) illnesses or injuries arising from use of the Common Areas, including the Recreational Facilities, or participation in any activities upon the Common Areas, including the Recreational Facilities, whether same are organized or conducted by the Declarant, the Association or otherwise; and (vii) design of any portion of DEL WEBB OASIS. Each such person also expressly indemnifies and agrees to defend and hold

harmless the Indemnified Parties from any and all losses, liabilities, costs, damages and expenses, whether direct or consequential, arising from or related to the person's use of the Common Areas, including for attorneys' fees, paraprofessional fees and costs before trial, at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas including, without limitation, the Recreational Facilities and all Retention Areas, lakes, canals or areas adjacent to any water body, do so at their own risk. Nothing herein shall be deemed to grant any such Owner, Lessee, Immediate Family Member, Guest, invitee or member of the general public any rights of access to or use of any such Retention Area, lake, canal or water body unless such right is expressly granted by this Declaration or the Association, and all such access and use shall be subject to the Rules and Regulations applicable with respect to same. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE COMMON AREAS MAY CONTAIN WILDLIFE SUCH AS INSECTS, ALLIGATORS, COYOTES, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS, BEARS AND FOXES AND HAZARDOUS PLANT LIFE. DECLARANT AND THE ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR PLANT LIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE OR PLANT LIFE. EACH OWNER OR LESSEES AND HIS OR HER IMMEDIATE FAMILY MEMBERS, GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY. Notwithstanding the foregoing provisions of this Section 9.8.5, such acceptance and assumption of all risk and responsibility, together with the duty of each Owner, for themselves, their Lessees and for the Immediate Family Members, Guests and invitees of such Owner or their Lessees to indemnify, defend and hold the Indemnified Parties harmless from any and all claims, suits, liabilities, losses, actions, causes of action, damages or expenses, whether direct or consequential, arising from or related to the person's use of the Common Areas shall be waived against the Declarant Indemnified Parties or the Association Indemnified Parties, as may be applicable, if it is determined by the final arbiter of any such claim, suit, liability, loss, action, cause of action, damage or expense that the cause thereof directly arises out of Declarant's or Association's, as applicable, failure to maintain or repair Gated Community Infrastructure in accordance with the requirements of the Gated Community Ordinance.

9.8.6 Owners' Obligation to Indemnify. Each Owner agrees to indemnify and hold harmless the Indemnified Parties against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("**Losses**") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas, including, without limitation, use of the Retention Areas, lakes and canals within DEL WEBB OASIS by Owners and Lessees, and their Immediate Family Members, Guests, invitees, or agents. Should any Owner bring suit against Declarant, the Association or any of the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, such Owner shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees before trial, at trial and upon appeal. Notwithstanding the foregoing provisions of this Section 9.8.6, such duty of each Owner to indemnify, defend and hold the Indemnified Parties harmless

against any or all Losses shall be waived against the Declarant Indemnified Parties or the Association Indemnified Parties, as may be applicable, if it is determined by the final arbiter of any claim, suit, liability, loss, action, cause of action, damage or expense arising out of such Loss or Losses that the cause thereof directly arises out of Declarant's or Association's, as applicable, failure to maintain or repair Gated Community Infrastructure in accordance with the requirements of the Gated Community Ordinance.

9.9 Rules and Regulations.

9.9.1 Generally. Prior to the Turnover, Declarant, and thereafter Association, shall have the right to adopt Rules and Regulations governing the use of the Common Areas. The Rules and Regulations need not be recorded in the Public Records unless required by law. The Common Areas shall be used in accordance with this Declaration and Rules and Regulations promulgated hereunder.

9.9.2 Declarant Not Subject to Rules and Regulations. The Rules and Regulations shall not apply to Declarant or to any property owned by Declarant, and shall not be applied in a manner which would adversely affect the interests of Declarant. The description of the Common Areas and any Recreational Facilities on the Plat is subject to change and the notes on the Plat are not a guarantee of what facilities will be constructed on such Common Areas or as Recreational Facilities. Site plans used by Declarant in its marketing efforts illustrate the types of facilities

which may be constructed on the Common Areas or as Recreational Facilities, but such site plans are not a guarantee of what facilities will actually be constructed. Each Owner should not rely on the Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of Declarant and Owners with respect to the Common Areas and any Recreational Facilities.

Such Rules and Regulations may provide for the issuance of cards (the "**Guest Activity Card**") allowing such Guests to access and use the Community Amenity.

9.16.3 Use of Community Amenity by Lessees and their Guests. Subject to compliance with the requirements of Section 26.7.3 below, Lessees shall have the right of access to and use of the Community Amenity on the same basis as an Owner, including access and use rights for their Immediate Family Members and their permitted Guests and invitees all as more particularly set forth in Section 26.7.3 below. In addition, the Association may suspend the rights of a particular Owner or Lessee (and/or Immediate Family Member) or prohibit an Owner or Lessee (and/or Immediate Family Member) from using a portion of the Recreational Facilities. No Owner whose privileges have been fully or partially suspended shall, on account of any such restriction or suspension, be entitled to any refund or abatement of Assessments or any other fees. During the restriction or suspension, Assessments shall continue to accrue and be payable each month. Under no circumstance will an Owner be reinstated until all Assessments and other amounts due to the Association are paid in full. The Board may suspend an

Owner's of Lessee's right to use the Recreational Facilities as a result of failure to pay Assessments without prior notice or a hearing. Any suspension of an Owner's or Lessee's rights to use the Recreational Facilities for any other reason shall be imposed after fourteen (14) days' notice to such Owner or Lessee and an opportunity for a hearing before a committee of the Board which is comprised of three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director, or employee of the Association, and such suspension may not be imposed without the approval of a majority of the members of such committee. 10.7 **Repair of Damage Caused by Owners.** The expense of any maintenance, repair or construction of any portion of the Common Areas necessitated by the negligent or willful acts of an Owner, or persons utilizing the Common Areas through or under an Owner, including Lessees, Immediate Family Members, Guests and invitees, shall be borne solely by such Owner and the Lot owned by such Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas by such Owner or their Lessees without the prior written approval of the Association.

10.8 **Right of Entry.** Declarant and the Association are granted a perpetual and irrevocable easement over, under and across all of DEL WEBB OASIS for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which they are entitled to perform. Without limiting the foregoing, Declarant specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, Declarant may construct, maintain, repair, alter, replace and/or remove improvements; install landscaping; install utilities; and/or remove structures on any portion of DEL WEBB OASIS if Declarant is required to do so in order to obtain the release of any bond posted with any governmental agency.

Such areas may abut, or be proximate to, DEL WEBB OASIS, and may be owned by, or be dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity or a property owners association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public streets, roads, wetlands, conservation areas, drainage areas, community identification or entrance features, community signage or other identification and/or areas within canal rights-of-ways or other abutting waterways. To the extent provided in any agreement between Declarant and Association for the maintenance of any lakes or ponds outside DEL WEBB OASIS, the Association shall maintain the same and the costs thereof shall be paid by Owners as part of the Operating Expenses. The Association shall have the right to enter into new agreements or arrangements from time to time for improvements and facilities serving the Members of the Association or to amend the foregoing if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

10.10 **Perimeter Walls and Fences.** The Declarant may install perimeter walls or fences, including a retaining wall, within any Common Area Tract, Landscape Easement or any fence or

wall easement (the “**Perimeter Wall/Fence Easement**”) within or adjacent to DEL WEBB OASIS as set forth on the Plat or created pursuant to this Declaration or by separate easement instrument (the “**Perimeter Walls/Fences**”). The Association at all times shall have the exclusive right to maintain, repair, replace any Perimeter Walls/Fences within DEL WEBB OASIS, including Perimeter Walls/Fences located on Lots; however, each Owner shall maintain the interior of any Perimeter Walls/Fences or portion thereof located on such Owner’s Lot. Owners may install fences on their Lot which abut perpendicularly (or at such other angles as are consistent with the angles of intersection of the lot lines of such Owner’s Lot with the Perimeter Wall/Fence) against any Perimeter Walls/Fences, but no such fence or any other improvements installed by any Owner may be affixed or attached to any Perimeter Walls/Fences or otherwise located within a Perimeter Wall/Fence Easement. In addition, the Association, in conducting any maintenance, repair or replacement of any Perimeter Walls/Fences, shall not be responsible for any damage to or removal of any fences installed by any Owner or any landscaping or improvements located within the Perimeter Wall/Fence Easement. No Owner may install or permit to grow any trees, shrubs or landscaping other than sod within any Perimeter Wall/Fence Easement or within five (5) feet of any Perimeter Walls/Fences without approval of the ARC pursuant to Section 19 below. The Association may perform (and is hereby granted an easement of ingress and egress and temporary construction over all Lots as reasonably necessary to perform) any such maintenance, repairs or replacement of the Perimeter Walls/Fences at the Board’s discretion and the costs of such maintenance, repairs or replacement shall be Operating Expenses. Failure of the Association to undertake any such maintenance, replacement or repair of the Perimeter Walls/Fences shall in no event be deemed a waiver of the right to do so thereafter. Owners shall provide prompt written notice to the Association in the event any portion of any Perimeter Wall/Fence is damaged or destroyed by the action of such Owner, its Lessees or Immediate Family Members or their respective Guests and invitees, and shall promptly repair, replace and restore such Perimeter Wall/Fence to its prior condition, failing which the Association may repair, replace or restore such Perimeter Wall/Fence and all costs incurred by the Association in connection with same shall be an Individual Assessment against such Owner’s Lot. Notwithstanding anything contained in this Section to the contrary, the Declarant neither commits to, nor shall hereby be obligated to, construct such Perimeter Walls/Fences.

10.11 **Right-of-Way.** The Association may undertake responsibility for the maintenance of improvements located in the public right-of-way adjacent to any portion of DEL WEBB OASIS, including, without limitation, any sidewalks, trees, landscaping, irrigation, hardscape, fountains, signage, entrance features, pavers, walls, lighting and electrical lines and systems. The Association’s right to maintain such improvements shall be pursuant to a separate “Use Agreement” with the County. The cost associated with any such maintenance of improvements within the public right-of-way adjacent to DEL WEBB OASIS shall be deemed part of the Operating Expenses.

10.12 **Sidewalks.** The Association shall be responsible for the maintenance and repair of all sidewalks within DEL WEBB OASIS located in the Common Areas; however, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to such sidewalk in the event that the negligent or willful acts of such Owner, their Lessees, Immediate Family Members, Guests or invitees caused such damage to any sidewalk area. Failure of an Owner to reimburse the Association any costs necessitated by such negligent or willful acts shall

subject the Owner to an Individual Assessment for such costs. Maintenance, repair and replacement of sidewalks and walkways located on any Lot, including walkways from the driveway to the Home, shall be the responsibility of the Lot Owner.

10.13 Water Body Slopes. The rear yard of some Lots adjacent to Retention Areas, ponds or lakes may contain water body slopes. Such water body slopes will be regulated by the Association and maintained by the Owner of such Lot, including regular mowing, maintenance, replacement and irrigation of sod and landscaping to prevent erosion of such water body slopes. In the event any Owner fails to maintain any water body slopes on such Owner's Lot, the Association may maintain or restore same and the costs incurred in connection with such maintenance and restoration shall be an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below. The Declarant hereby grants the Association an easement of ingress and egress across all Lots adjacent to water body areas for the purpose of regulating and maintaining such water body slopes.

11. Maintenance by Owners. Except for the Duplex Maintenance provided in Section 10.2 above and such other maintenance obligations and responsibilities of the Association expressly set forth in this Declaration, the Owner of each such Lot shall be responsible for the repair, replacement and maintenance of all other improvements and landscaping within any portion of the Lot, including, without limitation, maintenance of the elevation, grade and slope of the Lot, maintenance of the portion of the SWMS located on the Lot and repairing any damage to sidewalks, utilities or the SWMS resulting from any trees or landscaping on the Lot. Each Owner shall maintain his or her Lot and Home, including without limitation, all structural components, landscaping, irrigation systems, driveways, garage doors, and any other improvements comprising the Lot or Home in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of DEL WEBB OASIS, except (i) to the extent such maintenance responsibility is specifically the obligation of the Association pursuant to the terms of this Declaration including, without limitations, Duplex Maintenance to be conducted by the Association pursuant to Section 10.2 above and (ii) any portion of any Lot which is Conservation Easement Property, which shall be governed by Section 27 below. In the event Lots and Homes are not maintained by the Owner of the Lot in accordance with the requirements of this Section 11, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner and recover all costs and expenses incurred by the Association in connection with same as an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below.

11.1 Right of Association to Enforce. Declarant hereby grants the Association an easement over each Lot for the purpose of insuring compliance with the requirements of this Section 11. In the event an Owner does not comply with this Section 11, the Association may perform the necessary maintenance and charge the costs thereof to the noncomplying Owner as an Individual Assessment. Without limiting the generality of the foregoing, in the event any Owner fails to maintain their Lot or Home in accordance with the requirements of the Governing Documents, including without limitation, this Section 11, the Association, after providing not less than ten (10) days written notice and an opportunity to cure such failure to such Owner, may, but shall not be obligated to, enter upon such Owner's Lot to conduct any such requirement maintenance and shall charge the costs thereof to the Owner as an Individual Assessment. Notwithstanding the foregoing, the Association shall have the right, but not the obligation, to

enter upon an Owner's Lot to conduct any required maintenance or take such other action as required, in the sole judgment of the Association, to bring such Owner's Lot and Home into compliance with the Governing Documents without prior notice or opportunity to cure to such Owner in situations in which the Association determines, in its sole discretion, that immediate action is required to remedy or prevent a hazardous condition or to preserve the community standards of DEL WEBB OASIS, and the Association shall charge the costs thereof to the Owner as an Individual Assessment. The Association shall have the right to enforce this Section 11 by all necessary legal action. In the event that Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, before trial, at trial and upon appeal.

11.2 Landscape Maintenance Standards. The following maintenance standards (the "**Landscape Maintenance Standards**") apply to landscaping within all Lots (except for the portions thereof constituting Conservation Easement Property):

11.2.1 Trees. Trees are to be pruned as needed and maintained with the canopy no lower than eight feet (8') from the ground above all sidewalks and no lower than twelve feet (12') from the ground above all streets and roadways.

11.2.2 Shrubs. All shrubs are to be trimmed as needed.

11.2.3 Grass.

11.2.3.1 Cutting Schedule. Grass shall be maintained in a neat and appropriate manner. In no event shall lawns within any Lot be in excess of five inches (5") in height.

11.2.3.2 Edging. Edging of all streets, curbs, beds and borders shall be performed as needed. Chemical edging shall not be permitted.

11.2.3.3 St. Augustine Grass. Only St. Augustine grass (i.e., Floratam or a similar variety) is permitted in the front yards and side yards, including side yards facing a street.

11.2.4 Mulch. Mulch shall be maintained neat and appropriate, shall be replenished as needed and shall be comprised of such wood or fibrous material consistent with the Architectural Guidelines promulgated by Declarant or the ARC for mulch for DEL WEBB OASIS.

11.2.5 Insect Control and Disease. Insect control and disease shall be performed on an as needed basis. Failure to do so could result in additional liability if the disease and insect spread to neighboring Lots and Common Areas. Dead grass shall be removed and replaced within thirty (30) days of dying. If the County code or SFWMD regulations require Bahia grass in the rear yards, it shall remain as Bahia and if it dies, may only be replaced with Bahia.

11.2.6 Fertilization. Fertilization of all turf, trees, shrubs, and palms shall be performed according to Best Management Practices as provided by the County Extension Service (if any) or The University of Florida IFAS Extension.

11.2.7 Weeding. All beds are to be weeded as needed to maintain a neat and appropriate appearance. Weeds growing in joints in curbs, driveways, and expansion joints shall be removed as needed. Chemical treatment is permitted.

11.2.8 Trash Removal. Dirt, trash, plant and tree cuttings and debris resulting from all operations shall be removed and all areas left in clean condition before the end of the day.

11.3 Landscaping and Irrigation. The following provisions shall relate to all Lots within DEL WEBB OASIS (except to the extent and excepting any portion of any Lot which is Conservation Easement Property, which shall be governed by Section 27 below):

11.3.1 Irrigation. Except to the extent provided by the Association to Duplex Lots as a part of Duplex Maintenance, every Owner shall be required to irrigate the grass and landscaping located on their Lot in a routine and ordinary manner, as may be permitted by SFWMD and/or County regulations, and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. Except with respect to Duplex Lots, watering and irrigation, including the maintenance, repair and replacement of irrigation facilities and components will be the sole responsibility of the record title Owner of the respective Lot. Lots shall be consistently irrigated to maintain a green and healthy lawn at all times. Sprinkler heads shall be maintained on a monthly basis. Water spray from sprinklers shall not extend beyond any property line of the respective Lot. Automatic sprinkler systems shall not cause water to run onto neighboring Lots, walkways, streets or the like and shall include a timing system to limit hours of operation. All components of the irrigation system, clock, pump stations and valves shall be checked as needed by an independent contractor to assure proper automatic operation.

11.3.2 No Owner or Lessee shall install any additional landscaping, including flowers, trees or shrubs, installed on any Lot after completion of initial construction on any Lot without approval of the ARC. Any such landscaping installed by an Owner (including prior Owners) on any Lot (the “**Owner Installed Landscaping**”), regardless of whether such Owner Installed Landscaping is permitted pursuant to this Section 11.3, shall be the responsibility of the Owner and not the responsibility of the Association. The ARC may deny approval, condition its approval or limit locations for installation of any Owner Installed Landscaping in its sole discretion, and may deny installation of Owner Installed Landscaping if, in the ARC’s sole judgment, it determines any such Owner Installed Landscaping shall interfere with or increase the cost of Duplex Maintenance or other activities conducted by the Association on such Lot or interfere with the maintenance or operation of any portion of the SWMS located on or adjacent to such Lot. It is anticipated that no approvals will be granted for installation of Owner Installed Landscaping on any Duplex Lots other than Enclosure Landscaping to be maintained and irrigated by the Owner of the Duplex Lot. In addition, no Owner Installed Landscaping,

including mulched areas, may be installed in any Access and Maintenance Easement or Private Drainage Easement or on or in proximity to Lot lines or within or in proximity to drainage slopes and swales. The Association may, but shall not be obligated to, irrigate, fertilize, spray for insects, mulch, trim or prune Owner Installed Landscaping, with the additional cost of same to be an additional Individual Assessment against such Owner's Lot. The Association may also elect to discontinue irrigation and maintenance of Owner Installed Landscaping at any time in its sole discretion. Any (i) Owner Installed Landscaping installed or maintained on any Lot and (ii) any Association irrigation or maintenance of any Owner Installed Landscaping on any Lot shall be at such Lot Owner's sole expense and risk. The Association shall not be responsible for damage to, or obligated to replace any, Owner Installed Landscaping under any circumstances. Nothing herein shall be deemed to authorize the installation of Owner Installed Landscaping on any Lot without ARC approval of same, which can be withheld in the ARC's sole discretion.

11.3.3 Owner Modifications to Lots or Improvements. No sod, topsoil, tree or shrubbery shall be removed from DEL WEBB OASIS and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of such areas which results in any change in the flow and drainage of surface water which the Association, in its sole discretion, considers detrimental or potentially detrimental to person or property. No additional landscaping or improvements may be installed on any Duplex Lot without ARC approval pursuant to Section 19 below. Owners who install improvements to any Lot (including, without limitation, concrete or brick pavers) that result in any change in the flow and/or drainage of surface water for such Lot or which require a modification of the Duplex Lot Irrigation System for Duplex Lots shall be responsible for all of the costs of drainage problems or required modifications to the Duplex Lot Irrigation System resulting from such improvement. Further, in the event that such Owner fails to pay for such required repairs or modifications, such Owner agrees to reimburse the Association for all expenses incurred in (i) removing any improvements or landscaping not approved by the ARC, (ii) fixing such drainage problems including, without limitation, removing excess water and repairing the SWMS or (iii) modifying such Duplex Lot Irrigation System and shall be subject to an Individual Assessment for same.

11.4 Weeds and Refuse. No weeds, underbrush, or other unsightly growth shall be permitted to be grown or remain upon the cleared portion of any Lot. No refuse or unsightly objects shall be allowed to be placed or allowed to remain upon any Lot.

11.5 Paved Surfaces. Each Owner shall be responsible to timely repair, maintain and/or replace the driveways, sidewalks, walkways and all other paved surfaces comprising part of a Lot, except to the extent same is the express maintenance obligation of the Association under this Declaration. In the event the County or any of its subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway, sidewalk, walkway or other paved surface of a Lot not required to be maintained by the Association for the installation, repair, replacement or maintenance of utilities, then the Owner of the applicable Lot will be responsible to replace or repair such paved surfaces at such Owner's expense. Further, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to such paved surfaces

in the event that such Owner fails to make the required repairs, together with interest at the highest rate allowed by law. In the event an Owner does not comply with this Section, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment.

11.6 Water Intrusion. Florida experiences heavy rainfall and humidity on a regular basis. Each Owner is responsible for making sure his or her Home remains watertight including, without limitation, checking caulking around windows and seals on doors. Each Owner acknowledges that running air conditioning machinery with windows and/or doors open in humid conditions can result in condensation, mold and/or water intrusion. Declarant and Association shall not have liability under such circumstances for any damage or loss that an Owner may incur. FURTHER, GIVEN THE CLIMATE AND HUMID CONDITIONS IN FLORIDA, MOLDS, MILDEW, TOXINS AND FUNGI MAY EXIST AND/OR DEVELOP WITHIN HOMES. EACH OWNER IS HEREBY ADVISED THAT CERTAIN MOLDS, MILDEW, TOXINS AND/OR FUNGI MAY BE, OR IF ALLOWED TO REMAIN FOR A SUFFICIENT PERIOD MAY BECOME, TOXIC AND POTENTIALLY POSE A HEALTH RISK. BY ACQUIRING TITLE TO A HOME AND/OR LOT, EACH OWNER, FOR AND ON BEHALF OF THEMSELVES, THEIR LESSEES AND THE IMMEDIATE FAMILY MEMBERS OF THEMSELVES AND THEIR LESSEES, SHALL BE DEEMED TO HAVE ASSUMED THE RISKS ASSOCIATED WITH MOLDS, MILDEW, TOXINS AND/OR FUNGI AND TO HAVE RELEASED DECLARANT AND THE INDEMNIFIED PARTIES FROM ANY AND LIABILITY RESULTING FROM SAME.

11.7 Private Streets. The Association shall maintain the private streets and sidewalks within DEL WEBB OASIS pursuant to Section 28 hereof. Each Owner of a Single Family Lot shall be responsible for the costs, charges and expenses incurred in connection with maintenance of the irrigation facilities, trees and landscaping located in the portions of the Common Area Roadway Tracts immediately adjacent to such Owner's Lot at such Owner's sole cost and expense. Every such Owner shall be required to irrigate the grass and landscaping located in Common Area Roadway Tracts immediately adjacent to such Owner's Lot in a routine and ordinary manner consistent with the Landscape Maintenance Standards, and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. Maintenance of irrigation facilities, trees and landscaping located in Common Area Roadway Tracts adjacent to Duplex Lots shall be conducted by the Association as part of Duplex Maintenance. No tree installed by the Declarant in such Common Area Roadway Tracts shall be felled, removed, or cut down unless such tree represents a hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing DEL WEBB OASIS.

11.8 Party Walls. Each wall or fence, any part of which is placed on a dividing line between separate Lots as part of the original construction on the Lots shall constitute a "**Party Wall**." Each adjoining Owner's obligation with respect to Party Walls shall be determined by this Declaration, except as otherwise required by Florida law.

11.8.1 Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a Party Wall facing his Lot. Except as provided in this Section 11.8, the cost of reasonable repair shall be shared equally by adjoining Lot Owners.

11.8.2 Damage by One Owner. If a Party Wall is damaged or destroyed by the act of one adjoining Owner, or his Guests, tenants, licensees, agents or family members (whether or not such act is negligent or otherwise culpable), then that Owner shall immediately rebuild or repair the Party Wall to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. No Owner shall violate any of the following restrictions and any damage (whether cosmetic or structural) resulting from violation of any of the following restrictions shall be considered caused by the Owner causing such action or allowing such action to occur on such Owner's Lot:

11.8.2.1 No Owner shall allow sprinklers to spray or other water sources to deliver water within one foot (1') of any Party Wall, excluding rainfall that falls directly on such area (i.e. an Owner shall not collect rainfall from other portions of the Lot and deliver it within one foot (1') of any Party Wall);

11.8.2.2 No Owner shall allow attachment of anything, including but not limited to any climbing plant or vine, to any Party Wall; and

11.8.3 Other Damage. If a Party Wall is damaged or destroyed by any cause other than the act of one of the adjoining Owners, his agents, tenants, licensees, Guests or family members (or must be replaced as a result of ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair, maintain or replace, the Party Wall to its prior condition, equally sharing the expense; provided, however, that if a Party Wall is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular Lot (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that Lot, or his agents, tenants, licensees, Guests or family members) then in such event, the Owner of that particular Lot shall be solely responsible for the cost of rebuilding or repairing the Party Wall and shall immediately repair the Party Wall to its prior condition.

11.8.4 Association Right to Repair. In the event that the Owner or Owners responsible for rebuilding, repairing, maintaining or replacing a Party Wall as provided above fail to conduct such required work with respect to the Party Wall, the Association may, but shall not be obligated to, conduct any or all such rebuilding, repairing, maintenance or replacement with respect to such Party Wall and the Owner or Owners originally responsible for same shall reimburse the Association for all costs and expenses incurred by the Association in connection with same, and shall be subject to an Individual Assessment against their Lot or Lots for all such costs and expenses.

11.8.5 Right of Entry. Each Owner shall permit the Owners of adjoining Lots, or their representatives, to enter his Lot for the purpose of installations, alteration, or repairs to a Party Wall on the Lot of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining Lot. An adjoining Owner making entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

11.8.6 Right of Contribution. The right of any Owner to contribution from any other Owner under this Section 11.8 shall be appurtenant to the land and shall pass to such Owner's successors in title.

11.8.7 Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild (other than rebuilding in a manner materially consistent with the previously existing Party Wall) the Party Wall, shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld, delayed or conditioned.

11.9 Removal of Trees within Conservation Easement Property. Subject to the requirements set forth below, Owners may only remove a tree from Conservation Easement Property or Perimeter or Upland Buffer Easement (or similar term) within or adjacent to their Lots if (i) such tree, due to damage or disease, presents a potential danger to persons or property on such Owner's Lot, (ii) such Owner obtains and complies with all required permits and approvals for such removal from the SFWMD, County and all other governmental agencies with jurisdiction over same and delivers copies of such permits and approvals to the Association, (iii) such Owner obtains the written approval of the Association for such tree removal, and (iv) such Owner engages a tree removal contractor that is from a list of approved contractors or is otherwise approved in writing by the Association, in its sole discretion, to remove such tree. Any such tree removal, including any required mitigation for or replanting for same, shall be conducted at the sole cost and expense of the Owner removing such tree.

12. Use Restrictions. The following Use Restrictions shall apply to all Lots within DEL WEBB OASIS, except for any Lots owned by the Declarant. Each Owner, Lessee, Immediate Family Member and their Guests and invitees must comply with the following:

12.1 Alterations and Additions. No material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the ARC as required by this Declaration.

12.2 Animals. No animals of any kind shall be raised, bred or kept within DEL WEBB OASIS for commercial purposes. Except as provided below, Owners may keep domesticated pets as permitted by County ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time. Notwithstanding the foregoing, pets may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. A determination by the Board that an animal or pet kept or harbored in a Home is a nuisance shall be conclusive and binding on all parties. Without limiting the generality of the foregoing, dog breeds or partial breeds that include pit bulls or other breeds deemed to be dangerous by the Board in its sole discretion are prohibited. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of the yard of a Lot. No pet or animal shall be "tied out" on the exterior of the Home or in the Common Areas, or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the giving of the notice. The

person walking the pet or the Owner are required to pick up, remove and properly dispose of litter deposited by their pets within DEL WEBB OASIS. Each Owner shall be responsible for the activities of its pet.

12.2.1 All permitted pets must be caged or on a short leash at all times when they are within any portion of DEL WEBB OASIS (except the Owner's Home or Lot). Pets must be on the grass before the pet is permitted to stop and relieve itself.

12.2.2 Animals that are typically kept in cages or containers wholly within the Home such as small caged birds, fish, lizards, turtles and hamsters may be maintained provided such animals are of a breed or variety commonly kept as household pets in similar buildings, are not kept or bred for any commercial purpose, and are kept in strict accordance with the rules and regulations outlined in this policy and in accordance with applicable law. If any such pets become a nuisance, the Board shall have the right, but not the obligation, to require their removal. Wild animals, exotic animals, farm animals and poisonous creatures are not allowed, including but not limited to any variety of pigs, skunks, tarantulas and similar animals and snakes.

12.2.3 Neither the Board, Declarant, nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing Rules and Regulations governing pets and every Owner maintaining a pet within DEL WEBB OASIS agrees to defend, indemnify and hold the Indemnified Parties harmless against any loss, claim, damage or liability of any kind or character whatsoever arising or growing out of the privilege of having a pet within DEL WEBB OASIS. Any landscaping damage or other damage to the DEL WEBB OASIS, caused by an Owner's pet must be promptly repaired by the Owner. The Association retains the right to effect said repairs and charge the Owner therefore as an Individual Assessment.

12.2.4 A violation of the provisions of this Section 12.2 shall entitle the Association and the Board to all of its rights and remedies available under the Declaration, Bylaws, Florida Statutes and any applicable Rules and Regulations, including, but not limited to, the right to fine Owners and/or to require any pet to be permanently removed from DEL WEBB OASIS. This Section 12.2 shall also apply to Lessees who have pets.

12.4.1 Parking. Owners', Lessees' and Immediate Family Members' vehicles shall not be parked in streets, private roadways or alleyways within DEL WEBB OASIS and shall only be parked in areas designated for parking vehicles of Owners, Lessees and Immediate Family Members (and not any Guest or visitor parking) or in the garage or driveway of the respective Owners' Lot and shall not block the sidewalk. Not more than one (1) vehicle may be parked in the driveway at any one time, and such vehicle must be parked directly in front of the garage. Owners, Lessees and Immediate Family Members may have golf carts and motorcycles, but such golf carts and motorcycles must be parked within a garage. All Owners, Lessees and Immediate Family Members must register all vehicles with the Association. All parking within the Property shall be in accordance with Rules and Regulations adopted from time to time by the Board. All vehicles within DEL WEBB OASIS must be operational, in good repair, must bear a current license and registration tag, as required pursuant to state law and must be in a good, clean and attractive condition. To the extent DEL WEBB OASIS has any guest parking, Owners, Lessees and Immediate Family Members are prohibited from parking in such guest parking spaces. No vehicles used in business for the purpose of transporting goods, equipment and the like, shall be parked in DEL WEBB OASIS except during the period of a delivery. No parking of vehicles of any kind, including vehicles of visitors, Guests or invitees, shall be permitted in streets or private roadways within DEL WEBB OASIS. No commercial vehicle or limousine may be kept within DEL WEBB OASIS except in the garage of a Home. Notwithstanding the foregoing, motor home or recreational vehicles which are owned or being utilized by the Owner or Lessee of a Home may be parked in the driveway for not more than a twenty-four (24) hour period for loading and unloading purposes. The term "commercial vehicle" shall not be deemed to include law enforcement vehicles or recreational or sport utility vehicles (i.e., Broncos, Blazers, Explorers, Navigators, etc.) or clean "non-working" vehicles such as pick-up trucks, vans, or cars if they are used by the Owner on a daily basis for normal transportation; provided, however, vehicles with ladders, racks, and hooks attached to such vehicles shall be "commercial vehicles" prohibited by this Section. No vehicles displaying commercial advertising shall be parked within the public view. No vehicles bearing a "for sale" sign shall be parked within the public view anywhere within DEL WEBB OASIS. For any Owner who drives an automobile issued by the County or other governmental entity (i.e., police cars), such automobile shall not

For purposes of this Section 12.4, "vehicle" shall also mean vehicles of all kinds and nature, including, without limitation, motorcycles, recreational vehicles, campers, mobile homes, trailers, etc. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing service the right to enter their Lot and tow vehicles in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the Owner to receive it for any other reason, shall be grounds for relief of any kind. By accepting title to a Home, the Owner provides to the Association the irrevocable right to tow or remove vehicles parked on the Owner's Lot and Common Areas that are in violation of this Declaration. An affidavit of the person posting the foresaid notice stating it was properly posted shall be conclusive evidence of proper posting. Notwithstanding the foregoing, each Owner, by accepting title to a Home, acknowledges that the Association and Declarant are not responsible for (and will not be responsible for) monitoring, enforcing or towing with respect to vehicles parked on a street or private roadway located within any Common Area Roadway Tract or any public road right of way within, adjacent to or in proximity with DEL WEBB OASIS. THE ROADWAYS ADJACENT TO OR IN PROXIMITY TO DEL WEBB OASIS ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. AS SUCH, IN NO EVENT SHALL THE ASSOCIATION BE RESPONSIBLE FOR TOWING VEHICLES PARKED ON SUCH PUBLIC ROADWAYS.

12.4.5.4 Future Suspension or Prohibition of Golf Cart Use by the Board. If the Board determines, in its sole discretion, that the operation of golf carts within DEL WEBB OASIS (i) creates unacceptable risks of accidents within DEL WEBB OASIS, (ii) affects the availability, cost or coverage of liability insurance for the Association or (iii) disrupts or interferes with the use and

enjoyment of DEL WEBB OASIS by Owners, Lessees, Immediate Family Members and Guests and invitees, the Board may suspend or prohibit the use and operation of golf carts within DEL WEBB OASIS for such time period, including permanently or for an indefinite time period, as the Board may determine in its sole discretion. The Association is not responsible for any damage to holiday lighting and decorations incurred in connection with Association's performance of its responsibilities under this Declaration, including Duplex Maintenance. In addition, the Association may elect to not provide Duplex Maintenance to any Lot if the Association determines, in its sole discretion, that it cannot safely or efficiently provide such Duplex Maintenance due to holiday lighting and decorations located on such Lot. In addition to ARC approval, the ARC may require each Owner to obtain, at his or her own cost and expense, an agreement in writing executed by the Association approving such fence, which agreement may be recorded in the Public Records at the expense of such Owner by the Association in its sole and absolute discretion. Without limiting any other provision of this Declaration or the powers of the Association, Association shall have a right to bring an action against an Owner who fails to comply with the foregoing requirements. By way of example, Association may bring an action against an Owner who fails to either perform the Required Repair or Required Demolition on his or her Home within the time periods and in the manner provided herein. Each Owner acknowledges that the issuance of a building permit or a demolition permit in no way shall be deemed to satisfy the requirements set forth herein, which are independent of, and in addition to, any requirements for completion of work or progress requirements set forth in applicable statutes, zoning codes and/or building codes.

14.2.3 Standard of Work. The standard for all demolition, reconstruction, and other work performed as required by this Section 14.2.3 shall be in accordance with the Architectural Guidelines and any other standards established by the Association with respect to any casualty that affects all or a portion of DEL WEBB OASIS.

14.2.4 Additional Rights of the Association. If an Owner refuses or fails, for any reason, to perform the Required Repair or Required Demolition as herein provided, then Association, in its sole and absolute discretion, by and through its Board is hereby irrevocably authorized by such Owner to perform the Required Repair or Required Demolition. All Required Repair performed by the Association pursuant to this Section

shall be in conformance with the original plans and specifications for the Home. Association shall have the absolute right to perform the Required Demolition to a Home pursuant to this Section if any contractor certifies in writing to the Association that such Home cannot be rebuilt or repaired. The Board may levy an Individual Assessment against the Owner in whatever amount sufficient to adequately pay for Required Repair or Required Demolition performed by the Association, including any costs incurred with the management and oversight of any such Required Repair or Required Demolition performed by the Association.

14.2.5 Association Has No Liability. Notwithstanding anything to the contrary in this Section 14.2, Association, its directors and officers, shall not be liable to any Owner should an Owner fail for any reason whatsoever to obtain insurance coverage on a Home. Moreover, Association, its directors and officers, shall not be liable to any person if Association does not enforce the rights given to the Association in this Section.

14.3 Association as Agent. Association is irrevocably appointed agent for each Owner of any interest relating to the Common Areas to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims with respect to same.

14.4 Damage or Destruction to Common Areas. Damage to or destruction of all or any portion of the Common Areas shall be addressed in the following manner, notwithstanding any provision in this Declaration to the contrary:

14.4.1 In the event of damage to or destruction of the Common Areas, if the insurance proceeds are sufficient to effect total restoration, then the Association shall cause such portions of the Common Areas to be repaired and reconstructed substantially as it previously existed.

14.4.2 If the insurance proceeds are within One Hundred Thousand Dollars (\$100,000.00) or less of being sufficient to effect total restoration of the Common Areas, then the Association shall cause such portions of the Common Areas to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Special Assessment against each of the Owners in equal shares in accordance with the provisions of Section 17.2 of this Declaration.

14.4.3 If the insurance proceeds are insufficient by more than One Hundred Thousand Dollars (\$100,000.00) to effect total restoration of the Common Areas, the Board shall determine whether (1) to rebuild and restore the Common Areas in substantially the same manner as they existed prior to damage and to raise the necessary funds over the insurance proceeds by levying Special Assessments against all Members, (2) to rebuild and restore in a way which is less expensive than replacing the Common Areas in substantially the same manner as they existed prior to being damaged, or (3) to not rebuild such Common Areas and to retain and apply the available insurance proceeds for other purposes, including, without limitation, upgrading or constructing other Common Areas.

14.4.4 Each Owner shall be liable to the Association for any damage to the Common Areas not fully covered by collected insurance which may be sustained by reason of the negligence or willful misconduct of such Owner or their Lessee's or Immediate Family Members or any of their Guests and invitees. Notwithstanding the foregoing, the Association reserves the right to charge such Owner an Individual Assessment equal to the increase, if any, in the insurance premium directly attributable to the damage caused by such persons. In the case of joint ownership of a Lot or Home, the liability of such Owner shall be joint and several. The cost of correcting such damage shall be an Individual Assessment against the Owner and may be collected as provided herein for the collection of Assessments.

14.4.5 Notwithstanding the foregoing, any damage to the Common Areas or Common Area improvements, or any portion thereof, which constitutes Gated Community Infrastructure will be repaired or replaced in accordance with the requirements of the Gated Community Ordinance and Section 28 of this Declaration.

14.5 Nature of Reconstruction. Any reconstruction of improvements hereunder shall be substantially in accordance with the plans and specifications of the original improvement, or as the improvement was last constructed, subject to modification to conform to the then current governmental regulation(s) or with respect to Common Area improvements as provided in Section 14.4 above.

14.6 Cost of Payment of Premiums. The costs of all insurance maintained by the Association hereunder, and any other fees or expenses incurred that may be necessary or incidental to carry out the provisions hereof are Operating Expenses.

14.7 Declarant has No Liability. Notwithstanding anything to the contrary in this Section, Declarant, its officers, directors, shareholders, and any related persons or corporations and their employees, attorneys, agents, officers and directors shall not be liable to any Owner or any other person should the Association fail for any reason whatsoever to obtain insurance coverage for the Common Areas or should the Owner fail for any reason whatsoever to obtain insurance coverage for their Home.

14.8 Additional Insured. Prior to Turnover, Declarant shall be named as additional insured on all policies obtained by the Association, as their interests may appear.

Notwithstanding the foregoing obligations or requirements to maintain insurance, nothing contained in this Section 14 shall be deemed to limit or otherwise alter the obligation or requirements of the Association to maintain insurance in accordance with Section 28 of this Declaration and the Gated Community Ordinance.

15. Property Rights.

15.1 Owners' Easement of Enjoyment. Every Owner, Lessee, Immediate Family Member, Guest and invitee, and every Owner of an interest in DEL WEBB OASIS shall have a non-exclusive right and easement of enjoyment in and to those portions of the Common Areas that it is entitled to use for their intended purpose, subject to the following provisions:

15.1.1 Easements, restrictions, reservations, conditions, limitations and declarations of record, now or hereafter existing, and the provisions of this Declaration, as amended.

15.1.2 Rules and Regulations adopted governing use and enjoyment of the Common Areas.

15.1.3 The right of the Association to suspend rights hereunder, including voting rights, or to impose fines in accordance with Section 720.305, Florida Statutes.

15.1.4 The right of the Association to suspend use rights (except vehicular and pedestrian ingress and egress and necessary utilities) of all or a portion of the Common Areas for any period during which any Assessment remains unpaid.

15.1.5 The right of Declarant and/or Association to dedicate or transfer all or any part of the Common Areas. No such dedication or transfer shall be effective prior to the Community Completion Date without prior written consent of Declarant. Notwithstanding the foregoing, any such dedication or transfer of Gated Community Infrastructure shall be subject to the conditions of Section 28.20 hereof.

15.1.6 The right of Declarant and/or Association to modify the Common Areas as set forth in this Declaration.

15.1.7 The perpetual right of Declarant to access and enter the Common Areas at any time, even after the Community Completion Date, for the purposes of inspection and testing of the Common Areas. Association and each Owner shall give Declarant unfettered access, ingress and egress to the Common Areas so that Declarant and/or its agents can perform all tests and inspections deemed necessary by Declarant. Declarant shall have the right to make all repairs and replacements deemed necessary by Declarant. At no time shall Association and/or an Owner prevent, prohibit and/or interfere with any testing, repair or replacement deemed necessary by Declarant relative to any portion of the Common Areas.

15.1.8 The rights of Declarant and/or Association regarding DEL WEBB OASIS as reserved in this Declaration, including the right to utilize the same and to grant use rights to others.

15.2 Ingress and Egress. An easement for ingress and egress is hereby created for pedestrian traffic over, and through and across streets, alleyways, sidewalks, paths, walks, driveways, passageways, roads and lanes as the same, from time to time, may exist upon, or be designed as part of, the Common Areas for vehicular traffic over, through and across such portions of the Common Areas as, from time to time, may be paved and intended for such purposes.

15.3 Development Easement. In addition to the rights reserved elsewhere herein, Declarant reserves an easement for itself or its nominees over, upon, across, and under DEL WEBB OASIS as may be required in connection with the development of DEL WEBB OASIS, and other lands designated by Declarant and to promote or otherwise facilitate the development,

construction and sale and/or leasing of Homes or any portion of DEL WEBB OASIS, and other lands designated by Declarant. Without limiting the foregoing, Declarant specifically reserves the right to use all paved roads and rights of way within DEL WEBB OASIS for vehicular and pedestrian ingress and egress to and from construction sites. Specifically, each Owner acknowledges that construction vehicles and trucks may use portions of the Common Areas. Declarant shall have no liability or obligation to repave, restore, or repair any portion of the Common Areas as a result of the use of the same by construction traffic, and all maintenance and repair of such Common Areas shall be deemed ordinary maintenance of the Association payable by all Owners as part of Operating Expenses. Without limiting the foregoing, at no time shall Declarant be obligated to pay any amount to the Association on account of Declarant's use of the Common Areas. Declarant may market other residences and commercial properties located outside of DEL WEBB OASIS from Declarant's sales facilities located within DEL WEBB OASIS. Declarant has the right to use all portions of the Common Areas in connection with its marketing activities, including, without limitation, allowing members of the general public to inspect model homes, installing signs and displays, holding promotional parties and outings, and using the Common Areas for every other type of promotional or sales activity that may be employed in the marketing of residential homes. The easements created by this Section, and the rights reserved herein in favor of Declarant, shall be construed as broadly as possible and supplement the rights of Declarant set forth in Section 21 of this Declaration. At no time shall Declarant incur any expense whatsoever in connection with its use and enjoyment of such rights and easements. Notwithstanding the foregoing provisions of this Section 15.3, nothing contained herein shall relieve the Declarant from (i) the responsibility to maintain and repair Gated Community Infrastructure until Turnover as provided in Section 28 below and (ii) the requirement to pay its share of the Mandatory Reserve Assessments levied against Declarant or the Lots owned by Declarant either before or after the Turnover Date.

15.4 Public Easements. Fire, police, school transportation, health, sanitation and other public service and utility company personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas. In addition, Telecommunications Providers shall also have the right to use all paved roadways for ingress and egress to and from telecommunications systems within DEL WEBB OASIS.

15.5 Delegation of Use. Every Owner shall be deemed to have delegated its right of enjoyment to the Common Areas to Lessees or Occupants of that Owner's Home subject to the provisions of this Declaration and the Rules and Regulations, as may be promulgated, from time to time. Any such delegation or lease shall not relieve any Owner from its responsibilities and obligations provided herein.

15.6 Easement for Encroachments. In the event that any improvement upon Common Areas as originally constructed, shall encroach upon any other property or improvements thereon, or for any reason, then an easement appurtenant to the encroachment shall exist for so long as the encroachment shall naturally exist.

15.7 Permits, Licenses and Easements. Prior to the Community Completion Date, Declarant, and thereafter Association, shall, in addition to the specific rights reserved to Declarant herein, have the right to grant, modify, amend and terminate permits, licenses and easements over, upon, across, under and through DEL WEBB OASIS (including Lots, Parcels,

Homes, Common Areas, and private streets and roadways) for telecommunications systems, utilities, the SWMS, roads and other purposes reasonably necessary or useful as it determines, in its sole discretion. To the extent legally required, each Owner shall be deemed to have granted to Declarant and, thereafter, Association an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

15.8 Support Easement and Maintenance Easement. An easement is hereby created for the existence and maintenance of supporting structures (and the replacement thereof) in favor of the entity required to maintain the same. An easement is hereby created for maintenance purposes (including access to perform such maintenance) over and across DEL WEBB OASIS (including Lots, Parcels, and Homes) for the reasonable and necessary maintenance of Common Areas, utilities, cables, wires and other similar facilities.

15.9 Drainage. A non-exclusive easement shall exist in favor of Declarant, Association, SFWMD, the County and/or any federal agency having jurisdiction over DEL WEBB OASIS over, across and upon DEL WEBB OASIS, including all Private Drainage Easements, Drainage Swale Easements and all other areas containing the SWMS or drainage or stormwater management easements created on the Plat or by separate instrument for drainage, irrigation and water management purposes. Any such drainage easement shall not contain permanent improvements, including but not limited to sidewalks, driveways, impervious surfaces, patios, decks, pools, air conditioners, structures, utility sheds, poles, fences, irrigation systems, trees, shrubs, hedges or landscaping plants other than grass, except for (i) improvements installed by Declarant, (ii) landscaping of the Surface Water Management System, (iii) as required by the County or the Permit, and/or (iv) improvements approved by the ARC. A non-exclusive easement for ingress and egress and access exists for such parties in order to construct, maintain, inspect, record data on, monitor, test, or repair, as necessary, any water management areas, lakes, conservation areas, mitigation areas, irrigation systems and facilities thereon and appurtenances thereto. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of DEL WEBB OASIS and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through DEL WEBB OASIS and/or water management areas and facilities or otherwise interfere with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

15.10 Drainage Swale Easements. Declarant has constructed upon certain Lots, as part of the Surface Water Management System, drainage swales or slopes for the purpose of managing and containing flow of excess surface water, if any, found upon such Lots from time to time (each a “**Drainage Swale**”). The portion of the Lots containing any such Drainage Swales shall be designated on the Plat or by separately recorded instrument as a “Drainage Swale Easement”, “Environmental Swale Easement” or a similar term (each a “**Drainage Swale Easement**”). Each Lot Owner, including Declarant and any builders, shall be responsible for the maintenance, operation and repair of the Drainage Swales on their Lot. Such maintenance, operation and repair shall mean the exercise of practices, such as moving, irrigation, maintenance and replacement of landscaping and erosion repair, which allow the Drainage Swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SFWMD. Filing, excavation, construction of fences or otherwise obstructing the surface water flow in Drainage Swales is prohibited. No alteration of any Drainage Swale, including

alteration of the grade, elevation or slope of same, shall be authorized. Any damage to any Drainage Swale, whether caused by natural or human induced phenomena, shall be repaired and the Drainage Swale returned to its former condition as soon as possible by the Owner of the Lot upon which the Drainage Swale is located. The Association may, but shall not be obligated to, maintain all Drainage Swales within Drainage Swale Easements as an Operating Expense and is hereby granted an easement for same. The Association shall provide written notice to the Owners of Lots with Drainage Swales if the Association has elected to maintain such Drainage Swales. In such event, each Owner of such Lot shall still maintain and irrigate landscaping installed within any Drainage Swale Easement on their Lot. In the event the Association elects to maintain or repair any Drainage Swale as an Operating Expense, or in the event Lot Owners are responsible for maintenance and repair of Drainage Swales and fails to properly maintain and repair same, Owners of Lots shall be responsible for the cost of such maintenance restoration or repair of any damage to or alteration of any such Drainage Swale or Drainage Swale Easement by such Owner, their Lessee or any Immediate Family Member, Guest or invitee of any Owner or Lessee and all costs incurred by the Association in connection with same shall be an Individual Assessment on such Owner's Lot. No Owner shall install any improvements or additional landscaping within any Drainage Swale Easement without the prior written approval of same by the ARC.

15.11 Blanket Easement in favor of the Association. Association is hereby granted an easement over all of DEL WEBB OASIS, including all Lots, for the purposes of: (i) constructing, maintaining, replacing and operating all Common Areas; (ii) performing any obligation the Association is obligated to perform under this Declaration, including Duplex Maintenance; (iii) taking such actions as the Association deems necessary or advisable in fulfilling its obligations and exercising its rights under this Declaration; and (iv) performing any obligation of an Owner for which the Association intends to impose an Individual Assessment.

15.12 Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

16. Restrictions Affecting Occupancy and Alienation **[Supplement as needed for Orange County Requirements for exemption from School Impact Fees].**

16.1 Restrictions on Occupancy. Subject to the rights reserved to Declarant in Section 16.2, the Lots within DEL WEBB OASIS are intended for the housing of persons fifty-five (55) years of age or older. The provisions of this Section 16.1 are intended to be consistent with and are set forth in order to comply with the Fair Housing Amendments Act, 42 U.S.C. §3601 et seq. (1988), as amended, the exemption set out in 42 U.S.C. §3607(b)(1) and (b)(2)(c) and the regulations promulgated thereunder (collectively, as may be amended, the "Act") allowing discrimination based on familial status. Declarant or the Association, acting through the Board, shall have the power to amend this Section, without the consent of the Members or any person or entity except Declarant, for the purpose of maintaining the age restriction consistent with the Act, the regulations adopted pursuant thereto and any related judicial decisions in order to maintain the intent and enforceability of this Section. DEL WEBB OASIS will continue to qualify and be operated as housing for persons fifty-five (55) years of age and older pursuant to the Act and persons under the age of nineteen (19) years shall be prohibited from Occupying Homes in DEL

WEBB OASIS for a period of no less than thirty (30) years from the date of recording of this Declaration.

16.1.1 Each occupied Home shall at all times be Occupied by at least one person fifty-five (55) years of age or older; however, in the event of the death of a person who was the sole Occupant fifty-five (55) years of age or older of a Home, any Qualified Occupant may continue to Occupy the same Home as long as the provisions of the Act are not violated by such Occupancy.

16.1.2 No person under the age of nineteen (19) shall Occupy a Home. Anyone under the age of nineteen (19) is allowed to visit the Lots or Homes, provided that someone nineteen (19) or older supervises the person at all times.

16.1.3 Nothing in this Section shall restrict the ownership of or transfer of title to any Lot; provided, no Owner under the age of fifty-five (55) may Occupy a Home unless the requirements of this Section are met nor shall any Owner permit Occupancy of the Home in violation of this Section. Owners shall be responsible for including a statement that the Lots within DEL WEBB OASIS are intended for the housing of persons fifty-five (55) years of age or older and that Occupancy by any person under the age of nineteen (19) is prohibited, as set forth in this Section, in conspicuous type in any Lease Agreement or other occupancy agreement or contract of sale relating to such Owner's Lot, which agreements or contracts shall be in writing and signed by the Lessee or purchaser and for clearly disclosing such intent to any prospective Lessee, purchaser, or other potential occupant of the Lot. Every Lease Agreement of a Lot or Home shall provide that failure to comply with the requirements and restrictions of this Section shall constitute a default under the Lease Agreement.

16.1.4 Any Owner may request in writing that the Board make an exception to the requirements for an Age-Qualified Occupant of this Section with respect to a Home on his or her Lot, based on documented hardship. The Board may, but shall not be obligated to, grant exceptions in its sole discretion, provided that all of the requirements of the Act would still be met, and further provided that no exception to Section 16.1.2 above shall be granted.

16.1.5 In the event of any change in Occupancy of any Home, as a result of a transfer of title, a lease or sublease, a birth or death, change in marital status, vacancy, change in location of permanent Home, or otherwise, the Owner of the Home shall immediately notify the Board in writing and provide to the Board the names and ages of all current Occupants of the Home and such other information as the Board may reasonably require to verify the age of each Occupant required to comply with the Act. In the event that an Owner fails to notify the Board and provide all required information within ten (10) days after a change in Occupancy occurs, the Association may levy monetary fines against the Owner and the Lot for each day after the change in Occupancy occurs until the Association receives the required notice and information, regardless of whether the Occupants continue to meet the requirements of this Article, in addition to all other remedies available to the Association under this Declaration and Florida law.

16.2 Sales by Declarant. Notwithstanding the restriction set forth in this Section 16, Declarant reserves the right to sell Lots and Homes for Occupancy by Persons between forty-five (45) and fifty-five (55) years of age; provided, such sales shall not affect the Community's compliance with all applicable State and Federal laws under which the Community may be developed and operated as an age-restricted community, including (i) requirements that a minimum percentage of Homes be Occupied by at least one Age-Qualified Occupant as required under the Act or any other such State and Federal laws and (ii) the prohibition on Occupancy of any Home by any person under the age of nineteen (19) as provided in Section 16.1.2 above.

16.3 Monitoring Compliance; Appointment of Attorney-in-Fact. The Association shall be responsible for maintaining records to support and demonstrate compliance with the Act. The Board shall adopt policies, procedures and rules to monitor and maintain compliance with this Section and the Act, including policies regarding visitors, updating of age records, the granting of exemptions to compliance and enforcement. The Association shall periodically distribute such policies, procedures and rules to the Owners and make copies available to Owners, their Lessees and Mortgagees upon reasonable request.

16.4 Enforcement. The Association may enforce this Section 16 in any legal or equitable manner available, as the Board deems appropriate, including, without limitation, conducting a census of the Occupants of Homes, requiring that copies of birth certificates or other proof of age for one new Age-Qualified Occupant per Home be provided to the Board on a periodic basis, in its sole discretion, taking action to evict the occupants of any Home which does not comply with the requirements and restrictions of this Section. Association's records regarding individual Members shall be maintained on a confidential basis and not provided except as legally required to governing authorities seeking to enforce the Act. Each Owner shall fully and truthfully respond to any Association request for information regarding the occupancy of Home on his or her Lot which, in the Board's judgment, is reasonably necessary to monitor compliance with this Section. Each Owner hereby appoints the Association as its attorney in fact for the purpose of taking legal or equitable action to dispossess evict or otherwise remove the occupants of any Home on his or her Lot as necessary to enforce compliance with this Section.

16.5 Owner Compliance and Indemnity. Each Owner shall be responsible for ensuring compliance of its Lot with the requirements and restrictions of this Section and the Association rules adopted hereunder, by itself and by its Lessees and other occupants of its Lot or Home. Each Owner, by acceptance of title to a Lot or Home agrees to indemnify, defend and hold Declarant, any affiliate of Declarant and the Association harmless from any and all claims, losses, damages and causes of action which may arise from failure of such Owner's Lot to so comply. Such defense costs shall include, but not be limited to, attorney fees and costs.

16.6 Household Composition. The Association shall not interfere with the freedom of Members and Residents to determine the number of Qualified Occupants within a household, except that it may limit the total of Persons entitled to occupy a Home based upon the size of the Home (based on such factors as the number of bedrooms), not to exceed the number permitted under current zoning ordinances and limit the number of occupants per household who have full privileges as Members to use of the Common Area.

16.7 School Board as Third Party Beneficiary. [Confirm OCSB Language] Notwithstanding the foregoing provisions of this Section 9.14, such duty of the Association and Owners to indemnify, defend The School Board of Orange County, Florida (the "**School Board**") shall be a third party beneficiary of the terms, covenants and conditions of this Section 16, including, without limitation, Section 16.1.2 hereinabove. The School Board shall have the right, but not the obligation, to enforce (or compel the Association to enforce) the terms, covenants and conditions of this Section 16, including, without limitation Section 16.1.2 hereof.

16.8 Effect of Conflicting Terms. In the event of any conflict between the terms, covenants and provisions of this Section 16 and the other terms, covenants or provisions of this Declaration, as same may be amended or supplemented, and the terms, covenants and provisions of the Governing Documents, Title Documents or other agreements or covenants affecting DEL WEBB OASIS that may be hereinbefore or hereinafter entered into and/or recorded in the Public Records, the terms, covenants and provisions of this Section 16 shall control.

17. Assessments.

17.1 General. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall be deemed to have covenanted and agreed to pay to the Association at the time and in the manner required by the Board, assessments or charges as are fixed, established and collected from time to time by the Association (collectively, the "**Assessments**"). As Vacant Lots (as defined herein), Spec Lots (as defined herein) and VG Lots (as defined herein) are not improved or may not receive certain services, Declarant and any record title owner of a Vacant Lot, a Spec Lot or VG Lot shall not be assessed uniformly with Lots containing completed Homes which are not Spec Lots or VG Lots. Notwithstanding the foregoing provisions of this Section 17.1, nothing contained herein shall relieve the Declarant or any other record title owner of a Vacant Lot, a Spec Lot or VG Lot from the requirement to pay its share of the Mandatory Reserve Assessments levied against such Lots either before or after the Turnover Date.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining DEL WEBB OASIS and in particular, without limitation, for the improvement, operation, repair and maintenance of the Common Areas, including without limitation the Surface Water Management System and Conservation Easement Property as well as any mitigation or preservation areas, including but not limited to work within Retention Areas, drainage structures and drainage easements and providing for Duplex Maintenance through Duplex Assessments. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including without limitation, payment of Operating Expenses and collection of amounts necessary to pay any deficits from prior years' operation, but excluding assessments for Reserves ("**Installment Assessments**");

17.2.2 Assessments against Duplex Lots for all costs and expenses of Duplex Maintenance (“**Duplex Assessments**”), which shall be Individual Assessments and an additional Installment Assessments applicable against the Duplex Lots only.

17.2.3 Any special assessments for capital improvements, major repairs, emergencies, the repair or replacement of the Surface Water Management System, or nonrecurring expenses (“**Special Assessments**”);

17.2.4 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use (“**Use Fees**”);

17.2.5 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board shall have the power to include a “**Reserve for Replacement**” in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the “**Reserves**”), including without limitation, Reserves for maintenance, repair and replacement of Recreational Facilities. In addition, the Board shall establish separate Reserves for periodic Duplex Maintenance which shall be funded by the Duplex Assessments on Duplex Lots. Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established. The Association shall have the duty to levy and collect Reserve assessments for (i) the purpose of maintenance and repair of Gated Community Infrastructure required by Section 28 hereof, which shall be assessed and collected as provided in said Section 28 (“**Mandatory Reserve Assessments**”), and (ii) the repair and replacement of other Common Areas, capital facilities and amenities of the Association (such as but not limited to the Recreational Facilities and Perimeter Walls/Fences) to the extent reasonably determined by the Board, which shall be assessed as determined in the reasonable discretion of the Board without a vote of the Membership, and collected as provided in this Section 17 (“**Optional Reserve Assessments**”);

17.2.6 Any specific assessment for costs incurred by the Association which amounts are by their nature applicable only to one or more Lots, but less than all Lots (“**Individual Assessments**”). By way of example and not limitation, in the event an Owner fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

17.2.7 Neighborhood Assessment. In the event that the Declarant determines to provide Common Area improvements or services which serve some Owners to the

exclusion of others and therefore designates a Neighborhood, those benefiting from such additional Common Area improvements or services shall be assessed the cost thereof by the Association. The Board shall prepare a budget for such costs and shall designate the Lots which shall be subject to payment of the Neighborhood Assessment therefore.

17.2.8 Emergency Assessments. The Association may also levy an emergency assessment (“**Emergency Assessment**”) at any time by a majority vote of the Board, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters that affect the Common Areas, the Lots or Homes or Members of the Association, including but not limited to, after depletion of any applicable reserves, any unexpected expenditures not provided for by the budget or unanticipated increases in the amounts budgeted. Any Emergency Assessment levied hereunder shall be due and payable at the time and in the manner specified by the Board of Directors in the action imposing such Assessment.

17.3 Designation. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners.

17.4 Allocation of Operating Expenses.

17.4.1 Commencing on the first day of the period covered by the annual budget, in addition to Mandatory Reserve Assessments and until the adoption of the next annual budget, the Installment Assessments for Operating Expenses and Optional Reserve Assessments shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Optional Reserve Assessments based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in DEL WEBB OASIS conveyed to Owners or any greater number determined by Declarant from time to time. Notwithstanding the foregoing, Duplex Assessments and Reserves for Duplex Maintenance shall be allocated only among Duplex Lots. Declarant, in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, (i) any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a “**Vacant Lot**”) and (ii) any Lot that has a Home constructed thereon but is owned by the Declarant (a “**Spec Lot**”), (iii) any Lot with a Home used by Declarant in its Vacation Getaway program (a “**VG Lot**”) pursuant to Section 21.22 below also shall be assessed at ten percent (10%) of the Installment Assessment assessed to Lots with Homes constructed thereon and owned by Owners. The Vacant Lot Assessment, Spec Lot Assessment and VG Lot Assessment shall be additional income to the Association and Vacant Lots, Spec Lots and VG Lots shall not be included in the denominator used to determine each Owner’s pro rata share of the Operating Expenses and Optional Reserve Assessments (if any), unless otherwise determined by the Declarant in its sole and absolute discretion. In no event, however, shall Declarant pay Special Assessments. Notwithstanding the foregoing provisions of this Section 17.4.1, nothing contained herein shall relieve the Declarant or any other record title owner of a Vacant Lot, Spec Lot or VG Lot from the requirement to pay its

share of the Mandatory Reserve Assessments levied against such Lots either before or after the Turnover Date.

17.4.2 In the event the Operating Expenses as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover Date, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners or the Declarant of any sums due.

17.4.4 Mandatory Reserve Assessments shall be assessed uniformly on all Lots. Notwithstanding anything to the contrary in this Declaration, Declarant and all Owners shall be required to pay Mandatory Reserve Assessments on all Lots owned by them.

17.5 General Assessments Allocation. Installment Assessments shall be uniform for all Lots improved with a Home, except as provided in this Declaration, including, without limitation, Duplex Assessments which are only applicable with respect to Duplex Lots. Special Assessments and Reserves shall be allocated equally to each Owner, except for Special Assessments and Reserves for Duplex Maintenance, which shall be additional Special Assessments and Reserves allocated equally to each Owner of a Duplex Lot. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots, Spec Lots and VG Lots shall be assessed at ten percent (10%) of the Installment Assessments assessed to Lots with Homes constructed thereon and owned by Owners (but shall be assessed uniformly with Lots owned by Owners and the Declarant for Mandatory Reserve Assessments). This lesser Installment Assessment amount reflects that such Vacant Lots, Spec Lots and VG Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Declarant to an Owner, then the Vacant Lot, Spec Lot or VG Lot, as applicable, shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments and Special Assessments, except as otherwise provided herein.

17.6 Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association.

17.7 Commencement of First Assessment. Except as required by Section 28 of this Declaration as it relates to Mandatory Reserve Assessments, Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners on or prior to September 30th of the prior fiscal year, it is possible that the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover, in lieu of payment of Installment Assessments on Homes or Lots owned by Declarant at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, Spec Lots and VG Lots, owned by Class A Members, Declarant shall have the option to (i) pay any Operating Expenses incurred by the Association that exceed the Installment Assessments receivable from Owners and other income of the Association (the "Deficit"), or (ii) pay Installment Assessments on Homes or Lots owned by Declarant at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, Spec Lots and VG Lots, owned by Class A Members. Notwithstanding any other provision of this Declaration to the contrary, Declarant shall never be required to (i) pay Assessments on Future Development Tracts, (ii) pay Installment Assessments if Declarant has elected to fund the Deficit instead of paying Installment Assessments on Homes or Lots owned by Declarant, (iii) pay Special Assessments or Optional Reserve Assessments, or (iv) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association (excluding Mandatory Reserve Assessments, which shall be governed by Section 28 below) may be allocated towards the next year's Operating Expenses or, in the Association's sole and absolute discretion, to the creation or funding of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for the Deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, Spec Lots and VG Lots, owned by Class A Members. Declarant shall not be responsible for any Optional Reserve Assessments or Special Assessments, even after the Turnover. Declarant shall be assessed only for Lots which are subject to the operation of this Declaration. Upon transfer of title of a Lot owned by Declarant to an Owner, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO

DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES. AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES, ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Association. Assessments shall be payable by each Owner as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

17.10.1 Installment Assessments and Mandatory Reserve Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes. The Board may from time to time determine when the Installment Assessments and Mandatory Reserve Assessments will be collected by the Association (i.e. monthly, quarterly, or annually). Unless otherwise established by the Board, Installment Assessments for Operating Expenses and Mandatory Reserve Assessments shall be collected on a monthly basis.

17.10.2 Optional Reserve Assessments, Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of Declarant.

17.10.3 Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.10.4 Mandatory Reserve Assessments for maintenance, repair and replacement for Gated Community Infrastructure shall be established and assessed as provided in Section 28 of this Declaration.

17.11 Initial Capital Contribution and Club Capital Contribution. The first purchaser of a Lot from the Declarant shall pay to the Association (i) an Initial Capital Contribution in the amount TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00) (the “**Initial Capital Contribution**”) and (ii) a Club Capital Contribution in the amount of ONE THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$1,500.00) (the “**Club Capital Contribution**”) at the

time of closing of the conveyance. The funds derived from the Initial Capital Contributions and Club Capital Contributions are deemed income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs relating to the operation and management of DEL WEBB OASIS, including the Community Amenity and other Common Areas, and the performance of the Association's duties and obligations under this Declaration.

17.12 Resale Contribution. After the conveyance of a Lot in which an Initial Contribution is paid or payable as provided in Section 17.11 above, there shall be collected from the purchaser upon every subsequent conveyance of an ownership interest in a Home by an Owner a resale contribution in the amount of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00) (the "**Resale Contribution**"). The Board, in its discretion, may increase the amount of the Resale Contribution from time to time commencing on the date that is five (5) years after the date of recordation of this Declaration, provided, however, that the amount of such Resale Contribution may not increase at an aggregate rate in excess of two percent (2%) per year for the period commencing on the date of recordation of this Declaration through the effective date of such increase unless such additional increase is approved pursuant to an amendment to this Declaration pursuant to Section 4.4 hereof. The Resale Contribution shall not be applicable to conveyances from or to Declarant. The funds derived from the Resale Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Lot or Home unless all sums due to the Association have been paid in full and an estoppel certificate shall have been received by such Owner. Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner. Within ten (10) business days of a written request therefor, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay Association or the Manager (as defined below) engaged by the Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate.

17.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of

Lien in the Public Records stating the legal description of the Lot, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the record title owner from liability for, nor the Lot from, the lien of any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. Failure by a Lender to furnish a notice of default to the Association shall not result in liability of the Lender because such notice is given as a courtesy to the Association and the furnishing of such notice is not an obligation of any Lender to the Association. Association shall have the right, but not the obligation, to cure such default within the time periods provided in the mortgage held by such Lender. In the event Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender with respect to such payment. All amounts advanced on behalf of a record title Owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period. Each Installment Assessments so accelerated shall be deemed, initially, equal to the amount of the then most current delinquent installment, provided however that if any such Installment Assessments so accelerated would have been greater in amount by reason of a subsequent increase in the applicable budget, the Owner of the Lot whose Installment Assessments were so accelerated shall continue to be liable for the balance due by reason of such increase and Special Assessments against such Lot shall be levied by the Association for such purpose.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month or five percent of the delinquent installments

whichever is greater (or such greater amount established by the Board and permitted by applicable law), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. Subject to providing any prior notice as may be required by law, if any, the Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, Declarant, at Declarant's sole option, shall either (i) pay Installment Assessments for Operating Expenses on Lots and Homes owned by Declarant, or (ii) fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of DEL WEBB OASIS subject to this Declaration from the Assessments, provided that such part of DEL WEBB OASIS exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of DEL WEBB OASIS exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

Notwithstanding the foregoing no exemption from Assessments or reduction in Assessments provided in this Section 17.19 or elsewhere in this Declaration shall exempt or reduce Mandatory Reserve Assessments for any portion of DEL WEBB OASIS as provided in Section 28 below.

17.20 Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to Declarant for such purposes. If Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus

any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. Association, Declarant and any Lender shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing that Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. All such payments made by a Lessee to the Association shall be credited against rent and other sums due from such Lessee to such Owner. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

18. Information to Lenders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of the Governing Documents.

18.2 Copying. Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

19. Architectural Control.

19.1 Architectural Review Committee. The ARC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to DEL WEBB OASIS. The ARC shall consist of a minimum of three (3) members who shall initially be named by Declarant and who shall hold office at the pleasure of Declarant. Until the Community Completion Date, Declarant shall have the right to change the number of members on the ARC, and to appoint, remove, and replace all members of the ARC. Declarant shall determine which members of the ARC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Declarant, Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If Declarant fails to replace that member, the remaining members of the ARC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as Declarant with respect to the ARC.

19.2 Membership. There is no requirement that any member of the ARC be a Member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of DEL WEBB OASIS. Accordingly, the ARC shall have the right to approve or disapprove all architectural, landscaping, and improvements within DEL WEBB OASIS by Owners. The ARC shall have the right to evaluate all plans and specifications as to consistency with the Architectural Guidelines, harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ARC. The ARC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of Declarant, which may be granted or denied in its sole discretion.

19.4 Master Plan. Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances. WITHOUT LIMITING THE FOREGOING, DECLARANT MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING DEL WEBB OASIS. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW DEL WEBB OASIS WILL APPEAR UPON COMPLETION AND DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Architectural Guidelines. Each Owner and its contractors and employees shall observe, and comply with, and all construction in DEL WEBB OASIS shall be consistent with the Architectural Guidelines which now or may hereafter be promulgated by the Declarant or the ARC as same may be amended from time to time. The Architectural Guidelines shall be effective from the date of adoption or amendment, as applicable; shall be specifically enforceable by injunction or otherwise: and shall have the effect of covenants as if set forth herein verbatim. The Architectural Guidelines shall not require any Owner to alter the improvements previously constructed in compliance with Architectural Guidelines then in effect. Until the Community Completion Date, Declarant shall have the right to approve, adopt or amend the Architectural Guidelines in its sole discretion.

19.6 Quorum. A majority of the ARC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARC. In lieu of a meeting, the ARC may act in writing.

19.7 Power and Duties of the ARC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon on a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by Declarant (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ARC.

19.8 Procedure. In order to obtain the approval of the ARC, each Owner shall observe the following:

19.8.1 Each applicant shall submit an application to the ARC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ARC. The applications shall include such information as may be required by the application form adopted by the ARC. The ARC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ARC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ARC.

19.8.2 In the event the information submitted to the ARC is, in the ARC's opinion, incomplete or insufficient in any manner, the ARC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

19.8.3 No later than forty-five (45) days after receipt of all information required by the ARC for final review, the ARC shall approve or deny the application in writing.

The ARC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ARC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ARC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area, the effect thereof on adjacent or neighboring property and the impact of same on the cost of Duplex Maintenance. In the event the ARC fails to respond within said forty-five (45) day period, the plans and specifications shall be deemed disapproved by the ARC.

19.8.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ARC.

19.8.5 In the event that the ARC disapproves any plans and specifications, the applicant may request a rehearing by the ARC for additional review of the disapproved plans and specifications. The meeting shall take place no later than forty-five (45) days after written request for such meeting is received by the ARC, unless applicant waives this time requirement in writing. The ARC shall make a final written decision no later than forty-five (45) days after such meeting. In the event the ARC fails to provide such written decision within said forty-five (45) days, the plans and specifications shall be deemed disapproved.

19.8.6 Upon final disapproval (even if the members of the Board and the ARC are the same), the applicant may appeal the decision of the ARC to the Board within thirty (30) days of the ARC's written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ARC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.9 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ARC shall be subject to the approval of the ARC in the same manner as required for approval of original plans and specifications.

19.10 Variances. Association or ARC shall have the power to grant variances from any requirements set forth in this Declaration or from the Architectural Guidelines, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Architectural Guidelines on any other occasion.

19.11 Permits. Each Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.12 Construction Activities. The following provisions govern construction activities by Owners after consent of the ARC has been obtained:

19.12.1 Each Owner shall deliver to the ARC, if requested, copies of all construction and building permits as and when received by the Owner, as applicable. Each construction site in DEL WEBB OASIS shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, Common Areas, and other such areas in DEL WEBB OASIS shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in DEL WEBB OASIS and no construction materials shall be stored in DEL WEBB OASIS, subject, however, to such conditions and requirements as may be promulgated by the ARC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Architectural Guidelines. If an Owner (or any of its contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ARC may require that such Owner post security with the Association in such form and such amount deemed appropriate by the ARC in its sole discretion.

19.12.2 There shall be provided to the ARC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "**Contractors**") and changes to the list as they occur relating to construction. The ARC shall have the right to require that each Contractor's employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ARC.

19.12.3 Each Owner is responsible for ensuring compliance with all terms and conditions of these provisions and of the Architectural Guidelines by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ARC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after five (5) days' notice and right to cure, the ARC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in DEL WEBB OASIS.

19.12.4 The ARC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within DEL WEBB OASIS. Each Owner and Contractor shall comply with such standards and

cause its respective employees to also comply with same. The ARC may also promulgate requirements to be inserted in all contracts relating to construction within DEL WEBB OASIS and each Owner shall include the same therein.

19.13 Inspection. There is specifically reserved to the Association and ARC and to any agent or member of either of them, the right of entry and inspection upon any portion of DEL WEBB OASIS at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Architectural Guidelines.

19.14 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner, as applicable, shall, upon demand of the Association or the ARC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by the Association or ARC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ARC and/or Association are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Architectural Guidelines, by any legal or equitable remedy.

19.15 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.16 Certificate of Non-Compliance. In the event that any Owner fails to comply with the provisions contained herein, the Architectural Guidelines, or other rules and regulations promulgated by the ARC, the Association and/or ARC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.17 Certificate of Compliance. If requested by an Owner, prior to the occupancy of any improvement constructed or erected on any Lot by other than Declarant, or its designees, the Owner shall obtain a Certificate of Compliance from the ARC, certifying that the Owner, as applicable, has complied with the requirements set forth herein. The ARC may, from time to time, delegate to a member or members of the ARC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ARC's rights set forth in this Section 19. The issuance of a Certificate of Compliance by the ARC with respect to any improvements shall not be deemed a representation that such improvements comply with any or all applicable health, safety or building codes applicable to such improvements or representation regarding the structural integrity, workmanship, materials, design, systems, safety or any other aspect or matter with respect to such improvements.

19.18 Exemption. Notwithstanding anything to the contrary contained herein, or in the Architectural Guidelines, any improvements of any nature made or to be made by Declarant, including without limitation, improvements made or to be made to the Common Areas or any Lot, shall not be subject to the review of the ARC, the Association, or the provisions of this Declaration or the Architectural Guidelines.

19.19 Exculpation. Declarant, Association, the directors or officers of the Association, the ARC, the members of the ARC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of Declarant, Association, ARC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications or the issuance of a Certificate of Non-Compliance or a Certificate of Compliance with respect to such Owner's Lot or any improvements constructed thereon. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against Declarant, Association or their respective directors or officers, the ARC or the members of the ARC, or their respective agents, in order to recover any damages caused by the actions of Declarant, Association, or ARC or their respective members, officers, or directors in connection with the provisions of this Section. Association does hereby indemnify, defend and hold Declarant, and the ARC, and each of their members, officers, and directors harmless from all costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, the Association, ARC or their members, officers and directors. Declarant, Association, its directors or officers, the ARC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency and compliance thereof and for the quality of construction performed pursuant thereto.

20. Enforcement.

20.1 Right to Cure. Should any Owner do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or in this Declaration or otherwise breach the provisions of this Declaration including, without limitation, any provision herein or therein benefiting SFWMD;

20.1.2 Cause any damage to any improvement or Common Areas;

20.1.3 Impede Declarant or Association from exercising its rights or performing its responsibilities hereunder; or

20.1.4 Undertake unauthorized improvements or modifications to a Lot or Common Areas; or

20.1.5 Impede Declarant from proceeding with or completing the development of DEL WEBB OASIS, as the case may be;

Then Declarant and/or Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner, as applicable, as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, Declarant or Association shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner, as applicable, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief: and/or

20.2.2 Commence an action to recover damages: and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner, as applicable, as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to Declarant, Association and/or the ARC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Architectural Guidelines, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Architectural Guidelines may be enforced by Declarant and/or, where applicable, Owners, and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Architectural Guidelines shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Architectural Guidelines.

SFWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

20.6 Fines and Suspensions. Association may suspend, for reasonable periods of time, the rights of an Owner or an Owner's tenants, Guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes, against an Owner, tenant, Guest or invitee, for failure to comply with any provision of this Declaration including, without limitation, those provisions benefiting SFWMD and the Rules and Regulations and Architectural Guidelines.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "**Compliance Committee**") appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Compliance Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, tenant, Guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Compliance Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Association's Board of Directors.

20.6.3 The non-compliance shall be presented to the Compliance Committee acting as a tribunal, after which the Compliance Committee shall hear reasons why a fine or suspension should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Compliance Committee from time to time. A written decision of the Compliance Committee shall be submitted to the Owner, tenant, Guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Compliance Committee. The Owner, tenant, Guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Compliance Committee may impose a fine against the Owner in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation and there is no cap on the aggregate amount the Compliance Committee may fine an Owner, tenant, Guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board of Directors, including, without limitation, existing and future Operating Expenses, capital improvements, support costs and

administrative costs. Any fine in excess of One Thousand Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

20.6.5 Notwithstanding the foregoing, the Compliance Committee may not suspend the right of any Owner, Lessee, Immediate Family Member, Guest or invitee to use those portions of the Common Areas used to provide access or utility services to any Lot or Home or impose a suspension which impairs the right of any Owner, Lessee or Immediate Family Member to have vehicular and pedestrian ingress to and egress from their Lot or Home, including, but not limited to, the right to park vehicles as permitted in this Declaration.

21. Additional Rights of Declarant.

21.1 Sales and Administrative Offices. Declarant shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of DEL WEBB OASIS and sales and re-sales of Lots, Homes and/or other properties owned by Declarant or others outside of DEL WEBB OASIS. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of DEL WEBB OASIS, including Common Areas, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas to show Lots or Homes. The sales office and signs and all items pertaining to development and sales remain the property of Declarant. Declarant shall have all of the foregoing rights without charge or expense. The rights reserved hereunder shall extend beyond the Turnover Date.

21.2 Modification. The development and marketing of DEL WEBB OASIS will continue as deemed appropriate in Declarant's sole discretion, and nothing in this Declaration or Architectural Guidelines, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of DEL WEBB OASIS to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. Association and Owners shall, at the request of Declarant, execute and deliver any and all documents and instruments which Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

21.3 Promotional Events. Prior to the Community Completion Date, Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within DEL WEBB OASIS and/or on the Common Areas without any charge for use. Declarant, its agents, affiliates, or assignees shall have the right to market DEL WEBB OASIS in advertisements and other media by making reference to DEL WEBB OASIS, including, but not limited to, pictures or drawings of DEL WEBB OASIS, Common Areas, Parcels and Homes constructed in DEL WEBB OASIS. All logos, trademarks, and designs used in connection with DEL WEBB OASIS are the property of Declarant, and Association shall have no right to use the same after the Community Completion Date except with the express written permission of Declarant.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, Declarant shall have the right, without charge, to use the Common Areas, including the Recreational Facilities, for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by Declarant outside of DEL WEBB OASIS.

21.5 Franchises. Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. The Declarant may contract with a third party ("**Manager**") for management of the Association and the Common Areas.

21.7 Easements. Until the Community Completion Date, Declarant reserves the right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Telecommunications Services and other purposes over, under, upon and across DEL WEBB OASIS so long as any said easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of Declarant, in perpetuity, for such purposes. Without limiting the foregoing, Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner, without the joinder or consent of such Owner, as applicable, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Lot. As an illustration, Declarant may grant an easement for telecommunications systems, irrigation, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of Declarant which may be granted or denied in Declarant's discretion.

21.8 Right to Enforce. Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Architectural Guidelines and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees and cost at all levels of proceeding, including before trial, in mediation, arbitration and other alternative dispute, resolution proceedings, at all trial levels and appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If Declarant withdraws portions of DEL WEBB OASIS from the operation of this Declaration, Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other

improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

21.10 Representations. Declarant makes no representations concerning development both within and outside the boundaries of DEL WEBB OASIS including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Parcels or Homes and buildings in all other proposed forms of ownership and/or other improvements on DEL WEBB OASIS or adjacent to or near DEL WEBB OASIS, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered regarding the Common Areas and Recreational Facilities.

21.11 Access/Entrance/Exit Gates Open During Daytime Hours. Until the Community Completion Date, Declarant reserves a right and easement for access over and through the streets, private roadways, and sidewalks of DEL WEBB OASIS for ingress and egress for Declarant's employees, agents, contractors, subcontractors, deliverymen, vendors, customers and invitees. At Declarant's sole option, until the Community Completion Date, all entrance or exit gates limiting access to DEL WEBB OASIS shall be open every day, including weekends and holidays, during hours to be established by Declarant from time to time (the "**Declarant Operating Hours**").

21.12 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, THE DECLARANT, THE ASSOCIATION AND THE INDEMNIFIED PARTIES SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF DEL WEBB OASIS INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

21.12.1 IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF DEL WEBB OASIS HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF DEL WEBB OASIS AND THE VALUE THEREOF:

21.12.2 ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE

COMPLIANCE WITH THE LAWS OF THE STATE OF FLORIDA, THE COUNTY OR PREVENTS TORTIOUS ACTIVITIES;

21.12.3 THE PROVISIONS OF GOVERNING DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS SHALL BE APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

21.12.4 EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF DEL WEBB OASIS (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST ASSOCIATION, DECLARANT AND INDEMNIFIED PARTIES ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION, DECLARANT AND INDEMNIFIED PARTIES HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE.

21.13 Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF IN CONNECTION WITH OR IN ANY WAY RELATED TO GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. DECLARANT HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A HOME.

21.14 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A HOME, EACH HOME IS LOCATED IN ORANGE COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN ORANGE COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN ORANGE COUNTY, FLORIDA.

21.15 Reliance. BEFORE ACCEPTING A DEED TO A HOME, EACH OWNER HAS AN OPPORTUNITY TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A HOME, EACH

OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. DECLARANT IS RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A HOME THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE, SUCH RELIANCE IS DETRIMENTAL TO DECLARANT AND ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. AS A FURTHER MATERIAL INDUCEMENT FOR DECLARANT TO SUBJECT DEL WEBB OASIS TO THIS DECLARATION AND/OR SELL A LOT OR HOME TO SUCH OWNER, EACH OWNER, BY ACCEPTANCE OF A DEED WITH RESPECT TO THEIR LOT OR HOME, SHALL BE DEEMED TO RELEASE, WAIVE, DISCHARGE, COVENANT NOT TO SUE, ACQUIT, SATISFY AND FOREVER DISCHARGE DECLARANT AND THE DECLARANT INDEMNIFIED PARTIES FROM ANY AND ALL LIABILITY, CLAIMS, COUNTERCLAIMS, DEFENSES, ACTIONS, CAUSES OF ACTION, SUITS, CONTROVERSIES, AGREEMENTS, PROMISES AND DEMANDS WHATSOEVER IN LAW OR IN EQUITY WHICH AN OWNER MAY HAVE IN THE FUTURE, OR WHICH ANY PERSONAL REPRESENTATIVE, SUCCESSOR, HEIR OR ASSIGN OF OWNER HEREAFTER CAN, SHALL OR MAY HAVE AGAINST DECLARANT AND THE DECLARANT INDEMNIFIED PARTIES, FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER RESPECTING THIS DECLARATION, OR THE EXHIBITS HERETO. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF FLORIDA.

21.16 Duration of Rights. The rights of Declarant sets forth in this Declaration shall, unless specifically provided to the contrary herein, extend for a period of time ending upon the earlier of: (i) the Community Completion Date or (ii) a relinquishment by Declarant in an amendment to the Declaration recorded in the Public Records.

21.17 Additional Covenants. The Declarant may record additional covenants, conditions, restrictions, and easements applicable to portions of DEL WEBB OASIS, and may form condominium associations, sub-associations, or cooperatives governing such property. Any such instrument shall be consistent with the provisions of Section 4, and no person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of DEL WEBB OASIS without Declarant's prior review and prior written consent. Evidence of Declarant's prior written consent shall be obtained in the form of a joinder executed by the Declarant. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

21.18 Right to Approve Sales Materials. Prior to the Community Completion Date, all sales, promotional, and advertising materials for any sale of property in DEL WEBB OASIS may be subject to the prior written approval of Declarant. Declarant shall deliver notice of Declarant's approval or disapproval of all such materials and documents within thirty (30) days of receipt of such materials and documents, and, if disapproved, set forth the specific changes requested. If Declarant fails to do so within such thirty (30) day period, Declarant shall be deemed to have waived any objections to such materials and documents and to have approved

the foregoing. Upon disapproval, the foregoing procedure shall be repeated until approval is obtained or deemed to be obtained.

21.19 Use Name of DEL WEBB OASIS and Del Webb Marks. No person or entity shall use the name “DEL WEBB OASIS,” its logo, or any derivative of such name or logo in any printed or promotional material without the Declarant’s prior written approval. Until the Turnover Date, the Declarant shall have the sole right to approve the use of DEL WEBB OASIS name and logo, and such right shall automatically pass to the Association after the Turnover Date. However, Owners may use the name DEL WEBB OASIS in printed or promotional matter where such term is used solely to specify that particular property is located within DEL WEBB OASIS. Del Webb Corporation is an affiliate of Declarant. Any use by the Association of names, marks, or symbols of Del Webb Corporation or any of its affiliates (collectively “**Del Webb Marks**”) shall inure to the benefit of Del Webb Corporation and shall be subject to Del Webb Corporation’s periodic review for quality control. The Association shall enter into license agreements with Del Webb Corporation, terminable with or without cause and in a form specified by Del Webb Corporation in its sole discretion, with respect to permissive use of certain Del Webb Marks. The Association shall not use any Del Webb Mark without Del Webb Corporation’s prior written consent.

21.20 Density Transfers. If any party shall develop any portion of DEL WEBB OASIS so that the number of Lots contained in such portion of DEL WEBB OASIS is less than the allowable number of Lots allocated by governmental authorities to that particular Parcel, the excess allowable Lots not used by the such party (with respect to that Parcel) shall inure to the benefit of Declarant.

21.21 Equal Treatment. So long as Declarant owns any property described in Exhibit “1”, neither the Association nor any other entity shall, without the prior written consent of Declarant, adopt any policy, rule, or procedure that:

21.21.1 limits the access of Declarant, its successors, assigns and/or affiliates or their personnel and/or guests, including visitors, to the Common Areas of the Association or to any property owned by any of them;

21.21.2 limits or prevents Declarant, its successors, assigns and/or affiliates or their personnel from advertising, marketing, or using the Association or its Common Areas or any property owned by any of them in promotional materials;

21.21.3 limits or prevents purchasers of new Homes constructed by Declarant, its successors, assigns and/or affiliates in DEL WEBB OASIS (including purchasers qualifying under Section 16.2) from becoming Members of the Association or enjoying full use of its Common Areas subject to the Membership provisions of this Declaration and the Bylaws;

21.21.4 impacts the ability of Declarant, its successors, assigns and/or affiliates, to carry out to completion its development plans and related construction activities for DEL WEBB OASIS, as such plans are expressed in the Master Plan, as such may be amended and updated from time to time. Policies, rules, or procedures affecting the

provisions of existing easements established by Declarant and limiting the establishment by Declarant of easements necessary to complete DEL WEBB OASIS shall be expressly included in this provision. Easements that may be established by Declarant shall include but shall not be limited to easements for development, construction and landscaping activities, access, drainage and utilities; or

21.21.5 impacts the ability of Declarant, its successors, assigns and/or affiliates to develop and conduct customer service programs and activities with respect to DEL WEBB OASIS in a customary and reasonable manner.

The Association shall not exercise its authority over the Common Areas (including, but not limited to, any gated entrances and other means of access to DEL WEBB OASIS) in a manner that interferes with the rights of Declarant set forth in this Declaration or to impede access to any portion of DEL WEBB OASIS over the streets and other Common Areas within DEL WEBB OASIS. The Association shall not condone, encourage it Members or participate in public assembly for the purpose of interfering with Declarant's business within DEL WEBB OASIS or engage in any activity that presents a public health or safety risk.

21.22 Vacation Getaways. Declarant may, in its discretion, construct residential improvements and contract with third party providers for temporary occupancy in or adjacent to DEL WEBB OASIS and designate such improvements as within Declarant's vacation program (the "Vacation Getaways"). Such Vacation Getaway units located outside of DEL WEBB OASIS shall not be Lots, and their owners shall not be Members of the Association. Vacation Getaway units shall have access to the Common Area and Recreational Facilities, including the Community Amenity, in consideration of the payment of reasonable use fees as provided by an arrangement negotiated between Declarant and Association prior to the commencement of such program.

Owners of Vacation Getaway Homes located within DEL WEBB OASIS shall be Members of the Association. Declarant may transfer or lease Vacation Getaway Homes and make Vacation Getaway Homes available for use by Declarant's guests. Occupants of the Vacation Getaway Homes and units, whether located within or outside of DEL WEBB OASIS, shall have a non-exclusive easement for use, access and enjoyment in and to the Common Area, including but not limited to any Recreational Facilities and the Community Amenity. The Board shall assign Membership and Activity Cards or use privilege cards to Declarant on behalf of all Owners and guests of Vacation Getaway Homes located in DEL WEBB OASIS or Vacation Getaway units located outside DEL WEBB OASIS for the purpose of exercising such easement. Vacation Getaway Homes shall remain Vacation Getaway Homes until Declarant otherwise provides in written notice to the Owner of such Vacation Getaway Home and to the Association.

Notwithstanding any provision of this Declaration to the contrary, Vacation Getaway Homes within DEL WEBB OASIS may not be leased or occupied in violation of the restrictions of Section 16.1.3 of this Declaration prohibiting Occupancy of a Home within DEL WEBB OASIS by persons under the age of nineteen (19) years.

22. Refund of Taxes and Other Charges. Unless otherwise provided herein, Association agrees that any taxes, fees or other charges paid by Declarant to any governmental authority,

utility company or any other entity which at a later date are refunded in whole or in part, shall be returned to Declarant in the event such refund is received by the Association.

23. Assignment of Powers. All or any part of the rights, exemptions and powers and reservations of Declarant, as the case may be, herein contained may be conveyed or assigned in whole or part to other persons or entities by an instrument in writing duly executed, acknowledged, and, at Declarant's option, recorded in the Public Records.

24. General Provisions.

24.1 Authority of Board. Except when a vote of the Membership of the Association is specifically required, all decisions, duties, and obligations of the Association hereunder may be made by the Board. The Association and Owners shall be bound thereby.

24.2 Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision, and the remainder of this Declaration shall remain in full force and effect.

24.3 Execution of Documents. Declarant's plan of development for the Property may necessitate from time to time the execution of certain documents as required by the County or other governmental agencies. To the extent that said documents require the joinder of Owners, Declarant, by its duly authorized officers, may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents (including, without limitation, any consents or other documents required by the County or any governmental agencies in connection with the creation of any special taxing district); and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact, for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot or any other portion of DEL WEBB OASIS, to execute or otherwise join in any petition and/or other documents required in connection with a request for the County's creation of any special taxing district relating to DEL WEBB OASIS or any portion(s) thereof.

24.4 Affirmative Obligation of the Association. In the event that Association believes that Declarant has failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law or the Common Areas are defective in any respect, Association shall give written notice to Declarant detailing the alleged failure or defect. Association agrees that once Association has given written notice to Declarant pursuant to this Section, Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 8 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association's failure to give the notice and/or otherwise

comply with the provisions of this Section will damage Declarant. Notwithstanding the foregoing provisions of this Section 24.4, the rights and obligations of Declarant and Association with respect to the Gated Community Infrastructure shall be further subject to Section 28 of this Declaration and the Gated Community Ordinance.

24.5 Notices. Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing.

24.6 Florida Statutes. Whenever this Declaration refers to the Florida Statutes, it shall be deemed to refer to the Florida Statutes as they exist on the date this Declaration is recorded except to the extent provided otherwise as to any particular provision of the Florida Statutes.

24.7 Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF DEL WEBB OASIS ARE HEREBY PLACED ON NOTICE THAT (1) DECLARANT AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES AND/OR (2) ANY OTHER PARTIES WILL BE, FROM TIME TO TIME, CONDUCTING CONSTRUCTION ACTIVITIES, BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO DEL WEBB OASIS, WHICH MAY CAUSE NOISE, DUST OR OTHER TEMPORARY DISTURBANCE. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF DEL WEBB OASIS, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO DEL WEBB OASIS WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) DECLARANT AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM DECLARANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (iv) ANY PURCHASE OR USE OF ANY PORTION OF DEL WEBB OASIS HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

24.8 Title Documents. Each Owner by acceptance of a deed to a Lot acknowledges that such Lot is subject to certain land use and title documents recorded in the Public Records or issued by the County (collectively, the "Title Documents"). Declarant's plan of development for DEL WEBB OASIS may necessitate from time to time the further amendment, modification and/or termination of the Title Documents. DECLARANT RESERVES THE UNCONDITIONAL RIGHT TO SEEK AMENDMENTS AND MODIFICATIONS OF THE TITLE DOCUMENTS. It is possible that a governmental subdivision or agency may require the

execution of one or more documents in connection with an amendment, modification, and/or termination of the Title Documents. To the extent that such documents require the joinder of Owners, Declarant, by any one of its duly authorized officers, may, as the agent and/or the attorney-in-fact for the Owners, execute, acknowledge and deliver any documents required by applicable governmental subdivision or agency; and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through any one of its duly authorized officers, as their proper and legal attorney-in-fact for such purpose. This appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot: (i) to execute or otherwise join in any documents required in connection with the amendment, modification, or termination of the Title Documents; and (ii) that such Owner has waived its right to object to or comment on the form or substance of any amendment, modification, or termination of the Title Documents. Without limiting the foregoing, upon the Community Completion Date, Association shall assume all of the obligations of Declarant under the Title Documents unless otherwise provided by Declarant by amendment to this Declaration recorded by Declarant in the Public Records, from time to time, and in the sole and absolute discretion of Declarant.

24.9 Right to Contract for Telecommunications Services. Association shall have the right, but not the obligation, to enter into one or more contracts for the provision of one or more Telecommunications Services for all or any part of DEL WEBB OASIS. Prior to the Community Completion Date, all contracts between a Telecommunications Provider and the Association shall be subject to the prior written approval of Declarant. If any such contract is established, the fees for the Telecommunications Services payable to the Telecommunications Provider shall be Operating Expenses and shall be included within the annual budget of the Association.

24.10 Notices and Disclaimers as to Telecommunications Systems. Declarant, the Association, or their successors, assigns or franchisees and any applicable DECLARANT Telecommunications Providers may enter into contracts for the provision of security services through any Telecommunications Systems. DECLARANT, THE ASSOCIATION, TELECOMMUNICATIONS PROVIDERS AND THEIR FRANCHISEES, DO NOT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SERVICES, OR THAT ANY SYSTEM OR SERVICES WILL PREVENT INTRUSIONS, FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME; AND EVERY OWNER OR OCCUPANT OF A HOME SERVICED BY THE TELECOMMUNICATIONS SYSTEMS ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION OR ANY SUCCESSOR, ASSIGN OR FRANCHISEE OF DECLARANT, THE ASSOCIATION OR ANY OF THE OTHER AFORESAID ENTITIES AND ANY OPERATOR, ARE NOT INSURERS OF THE OWNER OR OCCUPANT'S PROPERTY OR OF THE PROPERTY OF OTHERS LOCATED ON THE PREMISES AND WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM SUCH OCCURRENCES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure on the part of a security service provider to perform any of its obligations with respect to security services and, therefore, every Owner or occupant of a Home receiving security services agrees that Declarant, the Association

or any successor, assign or franchisee thereof and any Telecommunications Provider assumes no liability for loss or damage to property or for personal injury or death to persons due to any reason, including, without limitation, failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of (a) any failure of the Owner's security system, (b) any defective or damaged equipment, device, line or circuit, (c) negligence, active or otherwise, of the security service provider or its officers, agents or employees, or (d) fire, flood, riot, war, act of God or other similar causes which are beyond the control of the security service provider. Every Owner or occupant of property obtaining security services through the Telecommunication Systems further agrees for himself, his grantees, tenants, Guests, invitees, licensees, and family members that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of such system, or from negligence, active or otherwise, of the security service provider or its officers, agents, or employees, the liability, if any, of Declarant, the Association or any other Indemnified Party for loss, damage, injury or death sustained shall be limited to a sum not exceeding Two Hundred Fifty and No/00 (\$250.00) U.S. Dollars, which limitation shall apply irrespective of the cause or origin of the loss or damage and notwithstanding that the loss or damage results directly or indirectly from negligent performance, active or otherwise, or non-performance by Declarant, the Association, the Telecommunications Provider or any Indemnified Party. Further, in no event will Declarant, the Association, any Indemnified Party, any Telecommunications Provider or any of their franchisees, successors or assigns, be liable for consequential damages, wrongful death, personal injury or commercial loss. In recognition of the fact that interruptions in cable television and other Telecommunication Services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Telecommunications Services shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Telecommunications Services, regardless of whether or not same is caused by reasons within the control of the Telecommunications Provider.

25. Surface Water Management System.

25.1 Surface Water Management System. The Association shall be responsible for maintenance of SWMS, ditches, canals, lakes, and Retention Areas in DEL WEBB OASIS. Maintenance of the SWMS shall mean the exercise of practices which allow the SWMS to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SFWMD. The Association shall be responsible for such maintenance and for operation of the SWMS. Any repair or reconstruction of the SWMS shall be as permitted, or if modified as approved by the SFWMD. Operation and maintenance and any required reinspection of the SWMS shall be performed in accordance with the terms and conditions of the Permit. All SWMS within DEL WEBB OASIS, excluding those areas (if any) normally maintained by the County or another governmental agency, will be the ultimate responsibility of the Association, whose agents, employees, contractors and subcontractors may enter any portion of the Common Areas and make whatever alterations, improvements or repairs that are deemed necessary to provide or restore property water management. All private drainage easements specifically granted or dedicated to the Association on the Plat or by separate instrument (the "**Private Drainage Easements**") shall be Common Areas. Such Private Drainage Easements will be regulated by the Association and maintained by the Owner of such Lot, including regular mowing, maintenance, replacement and irrigation of sod and landscaping to prevent erosion of

slopes or swales. In the event any Owner fails to maintain any Private Drainage Easement on such Owner's Lot, the Association may maintain or restore same and the costs incurred in connection with such maintenance and restoration shall be an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below. The Declarant hereby grants the Association an easement of ingress and egress across all Lots containing Private Drainage Easements for the purpose of regulating and maintaining same.

25.1.1 No construction activities may be conducted relative to any portion of the SWMS. Prohibited activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the SWMS. To the extent there exists within DEL WEBB OASIS a wetland mitigation area or a detention pond, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from SFWMD. Construction and maintenance activities which are consistent with the design and permit conditions approved by SFWMD in the Permit may be conducted without specific written approval from SFWMD and the County.

25.1.2 No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair, or landscaping purposes by Declarant, the Association or any appropriate governmental agency that may reasonably require access. Nonexclusive easements therefor are hereby specifically reserved and created.

25.1.3 No Lot, Parcel or Common Area shall be increased in size by filling in any lake, pond or other water retention, or drainage areas which it abuts, and no portion of any lake, pond or other water retention or drainage areas which is located on any Lot shall be filled. No person shall fill, dike, rip-rap, block, divert or change the established water retention and drainage areas that have been or may be created without the prior written consent of the Association. No person other than the Declarant or the Association may draw water for irrigation or other purposes from any lake, pond or other water management area, nor is any boating, fishing, swimming, or wading in such areas allowed except as expressly permitted in this Declaration.

25.1.4 All SWMS and conservation areas, excluding those areas (if any) maintained by the County or another governmental agency, will be the ultimate responsibility of the Association. The Association may enter any Lot, Parcel or Common Area and make whatever alterations, improvements or repairs are deemed necessary to provide, maintain, or restore proper SWMS. NO PERSON MAY REMOVE NATIVE VEGETATION THAT MAY BECOME ESTABLISHED WITHIN THE CONSERVATION AREAS. "REMOVAL" INCLUDES DREDGING, APPLICATION OF HERBICIDE, PULLING AND CUTTING.

25.1.5 Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any SWMS or conservation areas, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including SFWMD, the County, the Association and the Declarant.

25.1.6 SFWMD and the County have the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel it to correct any outstanding problems with the SWMS or in mitigation or conservation areas under the responsibility or control of the Association.

25.1.7 Any amendment of the Declaration affecting the SWMS or the operation and maintenance of the SWMS and any proposed conveyance or abandonment of any Common Areas containing or affecting the SWMS shall have the prior written approval of SFWMD and the County.

25.1.8 No Owner may construct or maintain any building, residence or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the Permit, any Conservation Easement and the Plat of DEL WEBB OASIS, unless prior approval is received from the SFWMD and the County, as appropriate.

25.1.9 Each Owner within DEL WEBB OASIS at the time of the construction of a building, residence, or structure shall comply with the construction plans for the SWMS approved and on file with SFWMD and the County, as applicable.

25.1.10 Owners shall not remove native vegetation (including cattails) that becomes established within the detention ponds, lakes, Conservation Easement Property, Perimeter Buffer Easement or Private Drainage Easements within or abutting their property. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners shall address any questions regarding authorized activities within the detention ponds, lakes or Conservation Easement Property to SFWMD and the County.

25.1.11 No Owner shall conduct any construction, clearing or grading within any Private Drainage Easement, Drainage Swale Easement or Perimeter Buffer Easement or otherwise improve or alter the character of any Private Drainage Easement, Drainage Swale Easement or Perimeter Buffer Easement.

25.2 Proviso. Any proposed amendment to the Declaration, Articles or Bylaws that affect the SWMS, beyond maintenance in its original condition, including mitigation or preservation areas, conservation areas and/or the water management portions of the Common Areas, must be submitted to SFWMD for a determination of whether the amendment necessitates a modification of the Permit. Any amendment affecting the SWMS will not be finalized until any necessary modification of the Permit is approved by SFWMD or the Association is advised that a modification is not necessary.

25.3 Provision for Budget Expense. In the event DEL WEBB OASIS has on site wetland mitigation (as defined in the regulations) that requires monitoring and maintenance, the Association shall include in its budget an appropriate allocation of funds for monitoring and maintenance of the wetland mitigation area(s) each year until SFWMD determines that the area(s) is successful in accordance with the Permit.

25.4 Indemnity. Declarant may be required to assume certain duties and liabilities for the maintenance of the SWMS or drainage system within the DEL WEBB OASIS under the plat, permits, or certain agreements with governmental agencies. The Association further agrees that subsequent to the recording of this Declaration, it shall indemnify and hold Declarant and all Declarant Indemnified Parties harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the SWMS occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees. Upon completion of construction of the SWMS, Declarant shall assign all its rights, obligations and duties thereunder to the Association. The Association shall accept such assignment and shall assume all such rights, duties and liabilities and shall indemnify and hold Declarant and all Declarant Indemnified Parties harmless therefrom.

26. Additional Disclosures and Restrictions.

26.1 Street Lighting Agreement. The Association may enter into an agreement to provide street lighting throughout DEL WEBB OASIS with a utility provider or company on such terms as are acceptable to the Association in its sole discretion (the “**Street Lighting Agreement**”). The cost of providing street lighting to DEL WEBB OASIS pursuant to the Street Lighting Agreement shall be an Operating Expense of the Association.

26.2 Disclosure of Agricultural Operations Near Project. Each Owner, by accepting a deed to a Lot, acknowledges that: (a) DEL WEBB OASIS is located in the vicinity of agricultural properties; (b) Lots within DEL WEBB OASIS may be subject to odors, fumes, smells and physically airborne particulates caused by the operation and maintenance of neighboring agricultural properties; and (c) pesticides, insecticides and fertilizers may drift over and disperse upon portions of DEL WEBB OASIS from time to time as a result of crop dusting and other similar activities on neighboring agricultural properties involving the application of such substances.

26.3 Wild Animals. DEL WEBB OASIS is located adjacent or nearby to certain undeveloped areas which may contain various species of wild creatures (including, but not limited to, alligators, bears, panthers, raccoons, coyotes and foxes), which may from time to time stray onto DEL WEBB OASIS, and which may otherwise pose a nuisance or hazard, all risks associated with which each Owner accepts by their purchase of a Lot. Owners shall not feed wild creatures of any kind nor otherwise engage in conduct that attracts wild creatures onto any portion of the Property. Conduct that may attract wild creatures onto DEL WEBB OASIS, and that may be restricted or regulated by the Association, includes, but is not necessarily limited to: (i) leaving food waste in containers or areas that are accessible by wild creatures, or allowing wild creatures to access food waste, pet food, BBQ grills, refrigerators or freezers in garages or on porches or patios; (ii) not picking fruit (including vegetables and berries) when they are ripe but allowing them to fall and remain on the ground; (iii) keeping bees; (iv) not keeping garage doors closed in accordance with Section 12.16 hereof; and (v) leaving trash containers outside overnight for next day pick-up by trash haulers, in lieu of putting them out in the morning of the day of pick-up. The Association, by and through the Board shall have the right to promulgate Rules and Regulations which regulate or restrict these activities or any other activities which, in the sole determination of the Board, attract wild creatures onto DEL WEBB OASIS. For

purposes of illustration and not limitation of the foregoing sentence, the Board may promulgate Association Rules and Regulations mandating that Owners acquire, at their sole cost and expense, and use so called "Bear Resistant Trash Containers" for the disposition of food waste. Any such Bear Resistant Trash Containers shall be a type or types that are acceptable to the Association and that are capable of pick-up by any trash hauler(s) servicing the Project.

26.4 Safety and Security. The Association may, but shall not be obligated to, maintain or support various activities within DEL WEBB OASIS which are intended to foster or promote safety or security. In no event shall the Association, the Declarant or Indemnified Parties in any way be considered insurers or guarantors of safety or security within DEL WEBB OASIS, nor shall any of them be held liable for any loss or damage by reason of the lack of adequate security or safety measures or the ineffectiveness of any security or safety measures undertaken. No representation or warranty is made that any manned gatehouse **[Confirm]**, electronically or remotely operated entrance or exit gates, fire protection system, burglar alarm system or other security system installed or security measures undertaken on or about DEL WEBB OASIS cannot be compromised or circumvented, nor that any such systems or security measures will prevent loss or provide the detection or protection for which they may be designed or intended, nor that entrance or exit gate(s) or any person acting as a gate attendant shall provide security services or prevent unauthorized persons from entering upon DEL WEBB OASIS. Each Owner, Lessee, Immediate Family Member, Guest, invitee or any other person entering upon DEL WEBB OASIS therefore and thereby acknowledges, understands and agrees that the Declarant, the Association, and the Indemnified Parties are not insurers or guarantors of safety or security within DEL WEBB OASIS and that each person entering upon DEL WEBB OASIS assumes all risks of loss or damage to persons and property resulting from the acts of third parties. Furthermore, each Owner, Lessee, Immediate Family Member, Guest, invitee or any other person entering upon DEL WEBB OASIS specifically acknowledges, understands and agrees that entrance and exit gate(s) and any manned or remotely operated gatehouse in DEL WEBB OASIS are only provided as traffic or pedestrian control devices and are not provided as a measure of safety or security.

26.5 Traffic Enforcement. At the Association's option, the Association may enter into an agreement to provide for enforcement of traffic laws within DEL WEBB OASIS by the sheriff and all costs of such enforcement incurred by the sheriff shall be paid by the Association as an Operating Expense.

26.6 Gatehouses, Entrance and Exit Gates and Systems and Doors. Gatehouses, entrance and exit gates and systems or doors may be constructed within or adjacent to DEL WEBB OASIS in order to limit access to DEL WEBB OASIS or the Community Amenity and to provide more privacy for the Owners and Lessees. Each Owner and Lessee and their Immediate Family Members, Guests and invitees, acknowledge that any such gatehouses, entrance and exit gates and doors and entrance and exit systems may restrict or delay entry into, or access within DEL WEBB OASIS by police, fire department, ambulances and other emergency vehicles or personnel. Each Owner and Lessee and their Immediate Family Members, Guests and invitees agree to assume the risk that any such gatehouses, entrance and exit gates and doors and entrance and exit systems will restrict or delay entry into, or access within DEL WEBB OASIS by police, fire department, ambulances or other emergency vehicles or personnel. Neither the Declarant, the Association nor any of the Indemnified Parties shall be liable to any Owner or Lessee or their

Immediate Family Members, Guests or invitees for any claims or damages resulting directly or indirectly from the construction, existence, maintenance, operation, delays in operation, staffing or failure or delay in staffing of any such gatehouses, entrance and exit gates, entrance and exit systems and doors.

If any such gatehouses, entrance and exit gates, entrance and exit systems and doors are constructed within DEL WEBB OASIS, the Declarant makes no representations or warranties (i) that staffing of same will be provided, (ii) if staffing is provided, that it will be provided during any particular hours or be continued in the future, (iii) regarding training of staff, (iv) operational policies and activities of the staff monitoring and operating such gatehouses, entrance and exit gates or doors or function or operation of any such entrance and exit systems. Nothing contained in this Declaration and nothing that may be represented to a purchaser by real estate brokers or salesmen representing the Declarant shall be deemed to create any covenants or restrictions, implied or express, with respect to the existence, operation or effectiveness of any gatehouses or gatehouse staff or entrance and exit gates and systems or doors.

26.7 Recreational Facilities and Services Open to the Public. Declarant, prior to Turnover, and thereafter the Association, has the right to make the Recreational Facilities available to Persons other than Owners or Lessees by issuing passes or Membership and Activity Cards or another card allowing such Persons to access and use the Community Amenity (each a **“Declarant Guest Activity Card”**) to such Persons. The Declarant, and thereafter the Association, shall establish qualification requirements, fees and dues for any Person using the Recreational Facilities and Community Amenity who is not an Owner or Lessee. Any such Person entitled to use the Recreational Facilities is granted a non-exclusive license to use the Recreational Facilities subject to full compliance with all obligations imposed by the Governing Documents, including without limitation all Rules and Regulations. The granting of such rights shall not reduce or abate any Owner’s obligation to pay Assessments authorized pursuant to the terms of the Governing Documents, or give any Owner the right to avoid any of the provisions of the Governing Documents.

26.8 Membership and Activity Cards. At the discretion of the Board, Membership and Activity Cards may be issued to allow Members access to the Recreational Facilities.

26.8.1 Issuance by the Board. One (1) Membership and Activity Card shall be allocated to each Qualified Occupant of a Home. The Board shall determine entitlement to Membership and Activity Cards on an annual basis. Membership and Activity Cards shall be renewed annually, provided the Home continues to be Occupied by a Qualified Occupant and all applicable Assessments and other charges pertaining to the Lot and Home have been paid. The Board may establish policies, limits and charges with regard to the issuance of additional, renewal or replacement Membership and Activity Cards and Guest Activity Cards.

26.8.2 Membership and Activity Card Use. Membership and Activity Card holders shall present their Membership and Activity Cards upon entering the Community Amenity, shall keep their Membership and Activity Cards with them at all times when within the Community Amenity and shall present same at any time upon request of the Community Amenity staff. Membership and Activity Cards (and, if approved by the

Board, Guest Activity Cards) may be used to pay Community Amenity charges, including, but not limited to, (i) reservation and use fees for Community Amenity facilities and group activities or individual instruction or services, (ii) purchase or rental of equipment or other merchandise and goods and (iii) food and beverage at any restaurant, bar, club or similar facility. All charges on the Membership and Activity Card and Guest Activity Card shall be an Individual Assessment against the Owner's Lot.

26.8.3 Assignment of Rights. The right to a Membership and Activity Card is based upon Owner Occupancy of the Home. Any Owner who leases or otherwise transfers Occupancy of his or her Home shall be deemed to have suspended his or her rights to a Membership and Activity Card during the time of such lease or occupancy. The Lessee or Occupant of the Home shall be entitled to Membership and Activity Cards only if the Home continues to be Occupied by a Qualified Occupant and in no event shall a Membership and Activity Card be assigned to anyone under nineteen (19) years of age. In such event, the Lessee and their Immediate Family Members and Guests shall have the same use rights and be subject to the same limitations and Rules and Regulations on use of the Community Amenity as apply with respect to any Home that is occupied by the Owner of same. Owners who lease their Homes acknowledge that charges on the Membership and Activity Cards and Guest Activity Cards issued with respect to their Lessees shall be an Individual Assessments on such Owner's Home and shall be responsible for coordinating reimbursement or appropriate deposits from their Lessees with respect to same. Any Owner who leases or otherwise transfers Occupancy of his or her Home shall provide the Association with immediate written notice thereof and shall surrender to the Association his or her previously issued Membership and Activity Cards. Membership and Activity Cards shall be surrendered by any holder who ceases to Occupy a Home, or at any time upon written notification from the Association that the holder no longer is entitled to hold a Membership and Activity Card.

26.8.4 Vacation Getaways. Each Vacation Getaway, as described in Section 21.22, shall be allocated one Declarant Guest Activity Card per Guest per stay in that Vacation Getaway (up to a total of four (4) Declarant Guest Activity Cards) for use by the temporary Occupants of the Vacation Getaway. Additional Declarant Guest Activity Cards shall be issued to Declarant upon request with payment of the then current charge, if any, for additional Guest Activity Cards.

26.8.5 Issuance to Declarant. As long as Declarant owns any portion of DEL WEBB OASIS or has the right to annex property into DEL WEBB OASIS pursuant to Section 5.1 hereof, the Association shall provide Declarant, free of charge, with as many Declarant Guest Activity Cards as Declarant, in its sole discretion, deems necessary for the purpose of marketing DEL WEBB OASIS. Declarant may transfer the Declarant Guest Activity Cards to prospective purchasers of Lots or Homes subject to such terms and conditions as it, in its sole discretion, may determine. Declarant Guest Activity Cards provided to Declarant shall entitle the bearer to use all Common Areas and Recreational Facilities, including the Community Amenity (subject to the availability and payment of admission fees or other use fees charged to Guests of Owners or Lessees holding Guest Activity Cards).

26.9 Collection and Allocation of Prepaid Club Fees. In order to maintain a wide variety of amenities, facilities and activities in the Club Amenity and DEL WEBB OASIS available for Owners, Lessees, Immediate Family Members, Guests and invitees, the Community Amenity Manager shall adopt and each Owner shall pay to the Association, annually, prepaid fees for use of or participation in certain fee based activities within the Club Amenity (the “**Prepaid Club Fees**”). The annual Prepaid Club Fees shall be established by the Community Amenity Manager, and neither Declarant nor the Association nor the Board has control over the amount of such Prepaid Club Fees or the allocation of same as provided below. Prepaid Club Fees shall be in addition to any Assessments, Club Capital Contributions and Reserves payable to the Association pursuant to Section 17. In the event the Community Amenity Manager directs the Association to collect Prepaid Club Fees from Owners, such amounts shall be included as a notation in the Association’s budget, but in no event shall Prepaid Club Fees be considered Operating Expenses of the Association. At the option of the Board, all sums paid by Owners to the Association may be allocated first to Prepaid Club Fees and second to Assessments, Reserves and other sums owed by the Owner to the Association. In the event an Owner fails to pay Prepaid Club Fees, the Association shall have all rights and remedies as set forth in Section 17 for an Owner’s failure to pay Assessments, including the right to file and foreclose a lien on such Owner’s Home. The Prepaid Club Fees shall be allocated by the Community Amenity Manager, in their sole discretion as prepaid balances for such Owner’s (or Lessee’s as applicable) and their permitted Guests’ use for food and beverage or participation in various fee based activities at the Club Amenity, including, without limitation the spa or any fee based events or classes. The Community Amenity Manager shall, in their sole discretion, determine the amount of the Prepaid Club Fees and the allocation of same among food and beverage, the spa and other fee based activities or classes for each year. All prepaid Club Fees must be used in the year and in the fee categories allocated for same by the Community Amenity Manager. Once allocated, Prepaid Club Fees may not be shifted to other prepaid fee categories. If not spent in the current year, Prepaid Club Fees shall not carry over into a subsequent year. Unspent Prepaid Club Fees shall be retained by the Association and applied to the costs of maintaining and operating the Club Amenity in the discretion of the Community Amenity Manager.

27. Conservation Easements.

27.1 Establishment of Conservation Easements. The provisions of Section 704.06, Florida Statutes establish the right of the SFWMD and/or the County (the “**Easement Grantee**”) to accept easements for the preservation of the natural habitat including, without limitation, that certain Conservation Easement granted in favor of the SFWMD recorded in Document Number _____ of the Public Records under the Permit, a copy of which is attached as Exhibit 5 hereto (the “**SFWMD Conservation Easement**”) (such easements shall be referred to herein as the “**Conservation Easements**”). The easement areas for certain recorded Conservation Easements in favor of the SFWMD are set forth on the Plat, or may be set forth on plats or in separately recorded instruments affecting land in or around DEL WEBB OASIS. There are no other Conservation Easements established by this Declaration; however, Declarant reserves unto itself and to the Association the right to grant such easements over and upon portions of the Common Area or Lots unto the Easement Grantee pursuant to the provisions of Section 704.06, Florida Statutes. Any Conservation Easements so granted shall be subject to the requirements of Section 704.06, Florida Statutes, and the following provisions. For the purposes of this Declaration, any portion of any Lot or the Common Area or any lands within DEL WEBB

OASIS encumbered by a Conservation Easement or Perimeter Buffer Easement or designated as a “Conservation Tract” or similar term shall be referred to as the “**Conservation Easement Property.**”

27.2 **Purpose.** The purpose of a Conservation Easement is to assure that, allowing for activities described in Section 27.5 below, the Conservation Easement Property will be retained forever in its existing natural condition and to prevent any use of the Conservation Easement Property that will impair or interfere with the environmental value of the Conservation Easement Property. It is the further purpose of the Conservation Easement to prevent the construction and operation of docks, piers, boardwalks, or other preemptive structures that would extend through the Conservation Easement Property onto adjacent sovereignty submerged lands except as approved pursuant to the Conservation Easements, the Permit (or any modifications thereto) or any Management Plan attached to the Permit (the “**Management Plan**”). Portions of the Conservation Easement Property may be used for passive recreation purposes consistent with the conditions of the Conservation Easements, Permit and Management Plan.

27.3 **Prohibited Acts and Uses.** Except for activities that are permitted or required by the Permit (or any modification thereto) (which may include restoration, creation, enhancement, maintenance, and monitoring activities, or surface water management improvements) or other activities described in the Conservation Easements or in the Management Plan (if any), any activity on or use of the Conservation Easement Property inconsistent with the purpose of a Conservation Easement and the Permit is prohibited. Without limiting the generality of the foregoing, the following activities and uses are expressly prohibited except as otherwise provided in Section 27.2 above and Section 27.5 below:

27.3.1 constructing or placing buildings, roads, signs, billboards, or other advertising, utilities or other structures on or above the ground;

27.3.2 dumping or placing soil or other substances or material as landfill or dumping or placing of trash, waste or unsightly or offensive materials;

27.3.3 removing or destroying or trimming trees, shrubs, or other vegetation.

27.3.4 excavating, dredging, or removing loam, peat, gravel, soil, rock, or other material substances in such a manner as to affect the surface;

27.3.5 using the surface area of the Conservation Easement Property, except for purposes that permit the land or water area to remain predominantly in its natural, restored, enhanced or created condition;

27.3.6 activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation including, but not limited to, ditching, diking, clearing and fencing;

27.3.7 acting upon or using the Conservation Easement Property in a manner detrimental to such retention of land or water areas;

27.3.8 acting upon or using the Conservation Easement Property in a manner detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance;

27.3.9 Construction of playgrounds, ball fields, sport courts, swimming pools, or athletic facilities.

27.3.10 Possession of weapons, except for possession by Administrative Personnel or law enforcement officers and possession of hunting weapons necessary to control wildlife disease and overpopulation.

27.3.11 Possession of alcohol on the Conservation Easement Property.

27.3.12 Launching of motorized vessels from the Conservation Easement Property, except by Administrative Personnel, law enforcement officers or fire/rescue personnel, and except vessels with electric trolling motors only.

27.3.13 Riding of horses on the Conservation Easement Property, except: (i) as permitted on designated equestrian trails; or (ii) by Administrative Personnel, law enforcement officers or fire/rescue personnel.

27.3.14 Use of all-terrain vehicles, off-road vehicles, or other motorized vehicles not licensed for Florida highway use, except for such vehicles used by Administrative Personnel, law enforcement officers, fire/rescue personnel, mobility-impaired persons, or used for authorized silvicultural activities or other construction and management of the Property that is allowed in the Permit.

27.4 Reserved Rights. The owner of record title to the Conservation Easement Property reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Property, including, without limitation, the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Property that are not expressly prohibited herein and are not inconsistent with this Declaration, the Permit and Conservation Easements, as applicable (or any modifications thereto), and the Management Plan, and the purposes of the Conservation Easement and Permit. In addition, the following activities and uses shall specifically be allowed:

27.4.1 Such Owner may conduct mitigation activities on the Conservation Easement Property so long as such activities are conducted in accordance with a SFWMD permit (already issued or issued in the future) that expressly authorizes such activities.

27.4.2 Such Owner may conduct activities on the Conservation Easement Property that are expressly authorized by a SFWMD permit issued in the future, so long as such SFWMD permit specifically addresses the effect of such activities on the ecological value of the Conservation Easement Property and provides for any required mitigation. The fact that a Conservation Easement would allow such activities does not imply that such activities would meet applicable regulatory criteria for obtaining a permit. For the purpose of this subsection, "ecological value" shall be the greater of the

ecological value accorded at the time the Permit was issued or at the time the applicable SFWMD permit in the future is issued.

27.4.3 Such Owner may remove or treat vegetation that is listed on the most current List of Invasive Plant Species produced by the Florida Exotic Pest Plant Council (or its successor organization). The removal or treatment may be mechanical or chemical so long as the activity is conducted in accordance with state and federal regulations and the pesticide label.

27.5 Public Access. No right or access by the general public to any portion of the DEL WEBB OASIS is conveyed by any Conservation Easement unless expressly set forth in same.

27.6 Rights of Easement Grantee. To accomplish the purposes stated herein, the owner of record title to the Conservation Easement Property shall, grant the following rights to the Easement Grantee, Declarant and the Association:

27.6.1 To enter upon and inspect the Conservation Easement Property in a reasonable manner and at reasonable times with any necessary equipment or vehicles to inspect, determine compliance with the covenants and prohibitions contained in the Conservation Easement, and to enforce the rights therein granted in a manner that will not unreasonably interfere with the use and quiet enjoyment of the Conservation Easement Property by the owner thereof at the time of such entry; and

27.6.2 To proceed at law or in equity to enforce the provisions of the Conservation Easement and the covenants set forth therein, to prevent the occurrence of any of the prohibited activities set forth therein and require the restoration of areas or features of the Conservation Easement Property that may be damaged by any activities or use inconsistent with the Conservation Easement.

27.7 Easement Grantee's Discretion. The Easement Grantee may enforce the terms of the Conservation Easement at its discretion, but if the Association, Declarant, or any Owner, breaches any term of the Conservation Easement and the Easement Grantee does not exercise its rights under the Conservation Easement, the Easement Grantee's forbearance shall not be construed to be a waiver by the Easement Grantee of such term, or of any subsequent breach of the same, or any other term of the Conservation Easement, or of any of the Easement Grantee's rights under the Conservation Easement. No delay or omission by the Easement Grantee in the exercise of any right or remedy upon any breach by the Association, Declarant or any Owner shall impair such right or remedy or be construed as a waiver. The Easement Grantee shall not be obligated to Declarant, or to any other person or entity, to enforce the provisions of the Conservation Easement.

27.8 Easement Grantee's Liability. The owner of the fee interest in the Conservation Easement Property shall retain all liability for any injury or damage to the person or property of third parties that may occur on the Conservation Easement Property. Neither Declarant, nor any Owner, nor any person or entity claiming by or through Declarant or any Owner, shall hold the Easement Grantee liable for any damage or injury to person or personal property that may occur on the Conservation Easement Property.

27.9 Riparian Rights. The Conservation Easement shall convey to Easement Grantee the grantor's riparian rights of ingress and egress for boat docks, piers, boardwalks, and other preemptive structures and activities associated with the Conservation Easement Property except as necessary to construct, use, and maintain the structures and activities approved in the Conservation Easement, or Permit, as applicable, (or any modifications thereto) or Management Plan. The Owner of the affected Conservation Easement Property shall specifically reserve the right to conduct limited vegetation removal and clearing necessary for constructing boat docks, piers, adjoining boardwalks and other preemptive structures and activities, if any, described in the Conservation Easement, or Permit, as applicable, (or any modifications thereto) or Management Plan. Such Owner shall minimize and avoid, to the fullest extent possible, impact to any wetland or buffer areas within the Conservation Easement Property. This reservation does not release the Grantor from the duty of obtaining any necessary SFWMD, federal, state or local government permit authorizations or state-owned lands approved for construction of the structures.

27.10 Acts beyond Declarant's or Association's Control. Nothing contained in any Conservation Easement shall be construed to entitle the Easement Grantee to bring any action against Declarant or the Association for any injury to or change in the Conservation Easement Property resulting from natural causes beyond Declarant's or the Association's control, including, without limitation, fire, flood, storm and earth movement, or from any necessary action taken by Declarant or Association under emergency conditions to prevent, abate, or mitigate significant injury to the Conservation Easement Property or to persons resulting from such causes.

27.11 Recordation. Declarant shall record any Conservation Easement in the Public Records in a timely fashion and Declarant and the Owners of any Lots or Common Areas encumbered by a Conservation Easement shall re-record it by separate instrument at any time the Easement Grantee may require to preserve its rights. The Owners of any Lots or Common Area encumbered by the Conservation Easement shall pay all recording costs and taxes necessary to record the Conservation Easement. Declarant will hold the Easement Grantee harmless from any recording costs or taxes necessary to record the Conservation Easement.

27.12 Successors. The covenants, terms, conditions, and restrictions of the Conservation Easement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Conservation Easement Property.

27.13 Restrictive Covenants Affecting Conservation Easements. No alteration of or encroachment into Conservation Easement Property shall occur unless approved by the County, SFWMD and all other appropriate state or federal agencies with jurisdiction over same. No Owner or other person shall cut, remove, destroy, or otherwise disturb any plant, shrub, tree, or other vegetation within any Conservation Easement Property, nor shall any person, including, but not limited to any Owner, Declarant and the Association, deposit dirt, fill, grass clippings, trash, rubbish, tree trimmings, building materials, or other waste within, or grade or alter such Conservation Easement Property without the prior written consent (as evidenced by any required permit or other official certification) of the Association, Declarant, the County and the SFWMD.

27.14 Conveyance to Association. In the future, Declarant may convey some or all of the Conservation Easement Property to the Association. Upon any such conveyance by Declarant of all or a portion of the Property as aforesaid, Declarant shall be automatically released from any obligations and liability under the Permit and Conservation Easements arising from and after the date of such conveyance as to the portion of the Conservation Easement Property conveyed by Declarant; provided, however, that no such conveyances shall relieve Declarant from any obligations under the Permit unless and until such Permit is transferred to the Association.

28. County Restrictions Pertaining To Gated Communities.

28.1 County Restrictions Pertaining to Gated Communities. DEL WEBB OASIS has heretofore been approved by the County for the development of a gated community which is subject to the requirements of the Gated Community Ordinance. The additional covenants, restrictions and requirements set forth in this Section 28 shall apply to the Association, DEL WEBB OASIS, each Lot, Tract or Parcel and Home thereon, Declarant and all Owners thereof, pursuant to the requirements of said Gated Community Ordinance, it being declared that each of said covenants, restrictions and requirements shall remain in effect in accordance with the terms of the Gated Community Ordinance notwithstanding any other provision of this Declaration to the contrary.

28.2 Establishment of Maintenance and Repair Accounts. In addition to all other Assessments as provided in this Declaration, the Association shall levy Mandatory Reserve Assessments in order to collect, in advance, sufficient funds to pay for the following maintenance and repairs, to wit:

28.2.1 Routine Infrastructure Maintenance. Annual routine maintenance and repair of the streets, sidewalks, and Surface Water Management System, including but not limited to stormwater detention/retention areas, if any, the funds for which shall be kept in a separate account (the “**Routine-Infrastructure-Maintenance Account**”), subject to the restrictions and requirements set forth herein;

28.2.2 Capital Repair/Streets. Major capital repair and replacement of all streets shown on recorded Plats of DEL WEBB OASIS, the funds for which shall be kept in a separate account (the “**Capital-Repair/Streets Account**”), subject to the restrictions and requirements set forth herein;

28.2.3 Capital Repair/Drainage Ponds. Major capital repair and replacement of the stormwater retention/detention facilities comprising the Surface Water Management System, if any, the funds for which shall be kept in a separate account (the “**Capital-Repair/Drainage Pond Account**”), subject to the requirements and restrictions set forth herein;

28.2.4 Capital Repair/Other Infrastructure. Major capital repair and replacement of other subdivision infrastructure such as sidewalks, stormwater conveyance systems, curbing, bike paths, and other infrastructure improvements, the funds for which shall be

kept in a separate account (the “**Capital-Repair/Other Infrastructure Account**”), subject to the requirements and restrictions set forth herein;

28.2.5 **Storm Debris Removal**. Storm debris clean-up and removal, such as clearing downed trees, landscape, and other storm-created debris from the subdivision’s streets, sidewalks and Surface Water Management System, the funds for which shall be kept in a separate account (the “**Storm Debris Removal Account**” and together with the Routine Infrastructure Maintenance Account, Capital Repair/Streets Account, Capital Repair/Drainage Pond Account and Capital Repair/Other Account the “**Mandatory Reserve Accounts**”), subject to the requirements and restrictions set forth herein.

The Association must create, deposit monies into, retain in perpetuity, and replenish from time to time the aforesaid accounts, which must be asset accounts kept separate and apart from all other funds and accounts of the Association, and for accounting purposes the Association may not commingle these accounts, either with each other or with other funds and accounts of the Association. However, notwithstanding the foregoing, the monies in such accounts may be commingled with monies in other Association accounts for banking and investment purposes, and may be pooled with other Association monies in a common investment program, so long as the financial books and records of the Association account for these monies separately and apart from all other Association monies and keep such monies earmarked for the purposes set forth herein. All earnings from the investment of monies in the accounts which are required by this Section shall remain in their respective accounts and shall follow their respective principal.

28.3 **Purposes of Maintenance and Repair Accounts**. The accounts specified in Section 28.2 above may be used only for the following purposes, to wit:

28.3.1 **Routine-Infrastructure-Maintenance Account**. Monies on deposit in the Routine-Infrastructure-Maintenance Account, including any investment earnings, may be used by the Association, or by the Declarant with the written consent of the Board of the Association, only for scheduled maintenance and for unscheduled repair of the streets, Surface Water Management System, including the stormwater detention/retention areas, if any, sidewalks, curbing, bike paths, traffic-control signage and other Association infrastructure appurtenant to the private roads and Surface Water Management System. The monies on deposit in the account may also be used for scheduled maintenance and unscheduled maintenance and repair of the entrance and exit gates and their related facilities, but the streets and Surface Water Management System maintenance and repair shall take priority over the maintenance and repair of the gates and related facilities.

28.3.2 **Capital-Repair/Streets Account**. Monies on deposit in the Capital-Repair/Streets Account, including any investment earnings, may be used by the Association only for resurfacing and related reconstruction of the streets in the Property, generally every twelve (12) years after issuance by the County of the certificate of completion for the streets. The monies on deposit in the account may not be expended earlier than the twelfth (12th) anniversary of the issuance of the certificate of completion for the applicable street without the consent of no less than a simple majority of the Owners of Lots excluding Declarant, which consent may consist of written consent and/or voting consent at a meeting called in accordance with the Bylaws of the

Association, and such consents will be valid only if obtained after transfer of control of the subdivision infrastructure to the Association. Under no circumstances may the monies in the account be expended before the Declarant transfers control of the subdivision infrastructure to the Association.

28.3.3 Capital-Repair/Drainage Pond Account. Monies on deposit in the Capital-Repair/Drainage Pond Account, including any investment earnings, may be used by the Association only for major repair and reconstruction of the stormwater detention/retention areas of the Surface Water Management System, generally every ten (10) years after issuance by the County of the certificate of completion therefor. The reconstruction and repair of the detention/retention areas, will include, but not be limited to, dredging and sediment removal. The monies on deposit in the account may not be expended earlier than the tenth (10th) anniversary of the issuance of the certificate of completion of the applicable detention/retention area, without the written consent of no less than a simple majority of the Owners of platted Lots excluding Declarant, which consent may consist of written consent and/or voting consent at a meeting called in accordance with the Bylaws of the Association, and the consents will be valid only if obtained after transfer of control of the subdivision infrastructure to the Association. Under no circumstances may monies in the account be expended before the Declarant turns over control of the subdivision infrastructure to the Association.

28.3.4 Capital-Repair/Other Infrastructure Account. Monies on deposit in the Capital-Repair/Other Infrastructure Account, including any investment earnings, may be used by the Association only for major repair, reconstruction, resurfacing, and replacement of the other parts of the infrastructure related to the private streets and drainage systems, such as the stormwater conveyance systems, sidewalks, curbing, and bike paths. The monies on deposit in the account may also be used for the major repair, reconstruction, and replacement of the entrance and exit gates and related facilities, but the repair, reconstruction, and replacement of the former items of infrastructure take priority over the repair, construction, and replacement of the entrance and exit gates and their related facilities.

28.3.5 Storm Debris Removal Account. Monies on deposit in the Storm Debris Removal Account, including any investment earnings, may be used by the Association only for the costs of storm debris clean-up and removal, such as clearing downed trees, landscape, and other storm-created debris from Association-owned streets, sidewalks, and drainage facilities (including stormwater detention/retention areas of the Surface Water Management System), and removing such debris to a landfill or other county-provided drop-off site.

[Confirm no Accounts required for private water, reclaimed water or sewer facilities]

28.4 Required Funding/Mandatory Reserve Assessments.

28.4.1 Routine-Infrastructure-Maintenance Account. The Association must deposit each year into the Routine-Infrastructure-Maintenance Account an amount of

money sufficient to perform all scheduled maintenance and unscheduled repair of the streets, Surface Water Management System, and other infrastructure during the subsequent year. The amount deposited, when added to investment earnings, must be no less than the amounts recommended by the Engineer's Report described in Section 28.8 below and subsequent reports as provided in Section 28.9 below. In the event monies on deposit in this account are used to perform maintenance and repair of the entrance and exit gates and their related facilities, in the discretion of the Board, then each year the Association must collect and deposit additional money in this account sufficient to cover those costs.

28.4.2 Capital-Repair/Streets Account. The Association must deposit each year into the Capital-Repair/Streets Account an amount sufficient for the streets to be resurfaced and, as related to the resurfacing, reconstructed no less frequently than every twelve (12) years, and the amount must be estimated by the Declarant and approved by the County prior to issuance of a certificate of completion for the streets. Deposits to the account must begin in the year in which the County issues its certificate of completion and must be completed no later than the year of the twelfth (12th) anniversary of the issuance of the certificate. The amount deposited each year by the Association must be no less than one-twelfth (1/12) of the estimate approved by the County. However, after Turnover of the Association the schedule of deposits may be altered such that one (1) or more annual deposits is less than one-twelfth (1/12) of the estimate, but only if a simple majority or more of all Owners of Lots consent in writing and/or by voting at a meeting called in accordance with the Bylaws of the Association to approve the altered schedule. If the Owners consent in writing to a different schedule of deposits, the revised scheduled must result in the aggregate amount of deposits during the twelve-year period being equal to or in excess of the estimate approved by the County. At the end of each twelve-year period, the Association shall revise and update the estimated cost of resurfacing and, as related to the resurfacing, reconstructing the streets at the end of the next twelve-year period, taking into consideration actual costs incurred and expected increases in road construction costs, and shall adjust the amount of its annual deposits to the account accordingly. If for any reason expenditures are made from the account prior to the end of the twelve-year period, the amount of deposits to the account in the remaining years shall be adjusted so as to ensure that the account contains an amount sufficient at the end of the twelve-year period to pay the costs of all expected repair and/or reconstruction and resurfacing requirements.

28.4.3 Capital-Repair/Drainage Pond Account. The Association must deposit each year into the Capital-Repair/Drainage Pond Account an amount sufficient for the stormwater detention/retention areas in the Surface Water Management System, if any, to be restored and repaired no less frequently than once every ten (10) years, and the amount must be estimated by the Declarant and approved by the County prior to the issuance of a certificate of completion for the Surface Water Management System. Deposits to the account must begin in the year of which the County issues its certificate of completion for the Surface Water Management System and must be completed no later than the year of the tenth (10th) anniversary of the issuance of the certificate. The amount deposited each year by the Association must be no less than one-tenth (1/10) of the estimate approved by the County. However, after Turnover of the Association, the schedule of

deposits may be altered such that one (1) or more annual deposits is less than one-tenth (1/10) of the estimate, but only if a simple majority or more of all Owners of Lots consent in writing and/or by voting at a meeting called in accordance with the Bylaws of the Association to approve the altered schedule. If the Owners consent to a different schedule of deposits, the revised schedule must result in the aggregate amount of deposits during the ten-year period being equal to or in excess of the estimate approved by the County. At the end of each ten-year period, the Association shall revise and update the estimate of the cost of restoring and repairing the stormwater detention/retention areas, if any, at the end of the next ten-year period, taking into consideration actual costs incurred and expected increases in drainage-system construction costs and shall adjust the amount of its annual deposits to the account accordingly. If for any reason expenditures are made from the account prior to the end of the ten-year period, the amount of deposits to the account in the remaining years will be adjusted so as to ensure that the account contains an amount sufficient at the end of the ten-year period to pay the costs of all expected restoration and repair requirements.

28.4.4 Capital-Repair/Other Infrastructure Account. The Association must deposit each year into the Capital-Repair/Other Infrastructure Account an amount sufficient for other subdivision infrastructure related to the streets and Surface Water Management System, such as but not limited to stormwater conveyance systems, sidewalks, curbing and bike paths, to be reconstructed and/or repaired no less frequently than once every fifty (50) years, and the amount must be approved by the County prior to issuance of a certificate of completion for those improvements. Deposits to the account must begin in the year in which the County issues its certificate of completion for the improvements and must be completed no later than the fiftieth (50th) anniversary of the issuance of the certificate. The amount deposited each year by the Association must be no less than one-fiftieth (1/50) of the estimate approved by the County. However, after Turnover of the Association, the schedule of deposits may be altered such that one or more annual deposits is less than one-fiftieth (1/50) of the estimate, but only if a simple majority or more of all Owners of Lots consent in writing and/or by voting at a meeting called in accordance with the Bylaws of the Association to approve the altered schedule. If the Owners consent to a different schedule of deposits, the revised schedule must result in the aggregate amount of deposits during the fifty-year period being equal to or in excess of the estimate approved by the County. At the end of each fifty-year period, the Association shall revise and update the estimate of the cost of reconstructing and/or repairing the improvements, taking into consideration actual costs incurred and expected increases in reconstruction and repair costs, and shall adjust the amount of its annual deposits to the account accordingly. If for any reason expenditures are made from the account prior to the end of the fifty-year period, the amount of deposits to the account in the remaining years will be adjusted in a manner to ensure that the account contains an amount sufficient at the end of the fifty-year period to pay the cost of all expected reconstruction and/or repair requirements.

28.4.5 Storm Debris Removal Account. The Declarant must deposit an initial amount into the Storm Debris Removal Account equal to two hundred fifty dollars (\$250.00) per acre of land in the Plat (excluding wetlands, conservation areas, and natural water bodies). The Association must deposit each year into the Storm Debris Removal

Account, an amount equal to one-fifth (1/5) the initial amount, until the Storm Debris Removal Account is equal to double the initial amount plus the annual Engineering News Record construction cost index. Subsequently, the Association must make deposits at least annually into the Storm Debris Removal Account sufficient to maintain the balance at double the initial amount plus the annual Engineering News Record construction cost index. Any time the Association must expend funds in the storm debris removal account after a storm event, the Association shall replace such funds (by special assessment, if necessary) within three (3) years of such expenditure sufficient to bring/restore the balance of the Storm Debris Removal Account to the balance prior to the expenditures, plus the annual Engineering News Record construction cost index.

28.4.6 Creation and Funding of Accounts. To help ensure the financial ability of the Association to maintain the infrastructure after turnover of the infrastructure, the five (5) required accounts (i.e., the Routine-Infrastructure-Maintenance Account, the Capital-Repair/Streets Account, the Capital-Repair/Drainage Pond Account, the Capital-Repair/Other Infrastructure Account and the Storm Debris Removal Account) must be created and funded by the Declarant, in the initial amount required for the Storm Debris Removal Account as set forth in Section 28.4.5 hereof, and for the other four (4) required accounts, in an amount equal to one (1) year of assessments prior to Plat recording or issuance of certificate of completion for the streets, drainage, or other related improvements for the Property. Such initial assessments are in addition to any other assessments required to be paid by the Declarant under Section 28.4.7 hereof.

28.4.7 Commencement Date; Amounts. The obligation to collect and pay Mandatory Reserve Assessments for the purposes of this Section 28 shall commence as of the date on which the County issues its certificate of completion for the streets, Surface Water Management System and other related infrastructure improvements for the Property. However, if the Plat has not been recorded as of that date, the obligation to collect and pay assessments shall commence as of the date the Plat is recorded in the Public Records of Orange County, Florida. The Association shall impose and collect Mandatory Reserve Assessments for such purposes against each platted Lot in the Property, including Lots owned or controlled by the Declarant and by any builder, without exception. The Mandatory Reserve Assessments must be uniform and equitable as to all Lots. Mandatory Reserve Assessments must be imposed and collected in amounts sufficient, when added to investment earnings and other available revenues of the Association, if any, to make all required deposits to each of the accounts required by this Section 28. Notwithstanding the foregoing, if in the opinion of the County Engineer the subdivision infrastructure within any Plat of the Property has substantially deteriorated at the time a Plat is approved, the County may require an additional payment of assessments by the Declarant to address the loss of useful life of the deteriorated subdivision infrastructure.

28.4.8 Unallocated Surplus Account. The Association shall maintain on its books and balance sheet a separate account entitled "Unallocated Surplus Account," which shall be the repository account for any revenues of the Association generated from Annual Assessments and other income in any fiscal year which are in excess of the amount required during such fiscal year to fund the Operating Expenses of the

Association or the reserve accounts which may be established by the Association from time to time, including but not limited to the Mandatory Reserve Accounts described in Sections 28.4.1 through 28.4.5 above (the "Unallocated Surplus"). The Unallocated Surplus remaining at the end of each fiscal year shall be placed in the Unallocated Surplus Account at the end of such fiscal year, and shall be maintained for accounting purposes separate and apart from any and all operating accounts, reserve accounts and other accounts of the Association that may be authorized or required by this Declaration or applicable law. However, notwithstanding the foregoing, the monies in the Unallocated Surplus Account may be commingled with monies in other Association accounts for banking and investment purposes, and may be pooled with other Association monies in a common investment program, so long as the financial books and records of the Association account for these monies separately and apart from all other Association monies and keep such monies earmarked for the purposes set forth herein.

Prior to Turnover of control of the Association by the Declarant, the Unallocated Surplus on hand at the end of any fiscal year shall not be treated in any future fiscal year as income nor allocated to or utilized in any future fiscal year for the payment or funding of any Operating Expenses, reserves or other expense of the Association, without the prior written approval of the Declarant (which may be withheld in Declarant's sole and absolute discretion).

Until such time as Turnover of control of the Association occurs and all of the Declarant's obligations specified in Section 28.8.4 of this Declaration have been fulfilled, the funds accumulated in the Unallocated Surplus Account shall be reserved for the exclusive use by the Declarant in funding any one or more of the following, in Declarant's sole and absolute discretion, to wit:

28.4.8.1 any expenditure for the acquisition, maintenance, repair, enhancement, replacement or expansion of any Common Areas or Common Area improvements of the Association,

28.4.8.2 any shortfall or insufficiency in any reserve account of the Association (including but not limited to the accounts specified in Sections 28.4.1 through 28.4.5 above),

28.4.8.3 any cost or expenses required to be paid by the Declarant or the Association pursuant to Sections 28.8 or 28.9 of this Declaration,

28.4.8.4 any Operating Expenses of the Association,

28.4.8.5 any past present or future operating deficit of the Association,

28.4.8.6 any past, present or future obligation of the Association (including but not limited to the allocation of any amounts in the then current fiscal year for use by the Association in a subsequent fiscal year), or

28.4.8.7 any other cost or expense which the Association is authorized to incur pursuant to the provisions of the Articles of Incorporation or Bylaws of the Association, this Declaration or applicable law.

At no time prior to the completion of (and the Association's written acknowledgment of completion of) the obligations of the Declarant pursuant to Section 28.8.4 of this Declaration shall the Unallocated Surplus be made available for any use which is not approved by the Declarant, in its sole and absolute discretion.

Following the Turnover of control of the Association by the Declarant, the completion of the Declarant's obligations under Section 28.8.4 of this Declaration and the written acknowledgment thereof by the Association, the Unallocated Surplus shall be available to the Association for use in accordance with the terms and provisions of the Articles of Incorporation and Bylaws of the Association, this Declaration and applicable law, without requiring the prior written approval of the Declarant.

Notwithstanding any other provisions of this Section 28.4.8, the creation of an Unallocated Surplus Account shall not relieve the Declarant from the obligation to pay Mandatory Reserve Assessments for Lots owned by Declarant, and the Declarant shall not use any portion of an Unallocated Surplus Account to pay Mandatory Reserve Assessments levied against it or the Lots it owns.

28.5 Financial Reports; Other Requirements. Each year the Association shall cause a financial report of the Association accounts required by this Section 28 to be performed and prepared, and a copy of the report shall be submitted to each Owner within the time frame required under the "Financial Reporting" requirements of Chapter 720, Florida Statutes. At a minimum, the report shall confirm the existence of each of the required Association accounts and report the amounts of deposits into and expenditures from the account during the period year, along with an itemization of the expenditures from the required Association accounts. Finally, the financial report shall disclose whether any of the required Association accounts have on deposit less than the amount required by this Section 28.

28.6 Turnover of Association Control; Subdivision Infrastructure.

28.6.1 Turnover by Declarant of control of the Association may occur no sooner than the point in time at which certificates of occupancy have been issued for seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS, and must occur no later than the point in time at which certificates of occupancy have been issued for ninety percent (90%) of such Homes.

28.6.2 The Declarant must turn over control of the subdivision infrastructure located within DEL WEBB OASIS no sooner than the point in time at which certificates of occupancy have been issued for seventy percent (70%) of the Homes to be constructed in DEL WEBB OASIS, and must occur no later than the point in time at which certificates of occupancy have been issued for ninety percent (90%) of the Homes located therein.

28.7 Maintenance Pending Turnover.

28.7.1 Until Turnover of control of the Association and/or the transfer of control of the subdivision infrastructure, all maintenance and repair of streets, sidewalks and the

Surface Water Management System, including stormwater detention/retention areas, if any, is the responsibility of the Declarant.

28.7.2 Prior to Turnover of control of the Association and/or the transfer of control of the subdivision infrastructure, the Declarant may expend monies in the Routine-Infrastructure-Maintenance Account for such maintenance and repair, but only with the written consent of the Board of the Association.

28.7.3 Insufficiency of monies in the Routine-Infrastructure-Maintenance Account shall not act to relieve the Declarant of any responsibility to maintain and repair the streets, sidewalks, and Surface Water Management System (including stormwater detention/retention areas) properly prior to Turnover of control of the Association and/or the transfer of control of the subdivision infrastructure.

28.8 Engineer's Report Prior to Turnover.

28.8.1 No earlier than 180 days before Turnover of control of the Association and/or the transfer of control of the subdivision infrastructure, the Association must retain the services of a Florida-registered engineer experienced in subdivision construction (other than the engineer of record for the Property as of the date of the County's approval of the subdivision infrastructure construction plans, and engineers who are principals of, employed by, or contractors of the same firm as the engineer of record) to inspect the streets, sidewalks and Surface Water Management System, including stormwater detention/retention areas, if any, in accordance with the existing approved plans and prepare a report (the "Engineer's Report") recommending the amount of scheduled maintenance and unscheduled repair that likely will be needed each year for the streets, sidewalks and Surface Water Management System (including stormwater detention/retention areas, if any), in accordance with standards that may be established and revised from time to time by the County Engineer or his or her designee, which recommends the amounts of money that should be deposited each year in the Routine-Infrastructure-Maintenance Account, and determining what repairs, if any, are needed prior to Turnover of the Association. The Engineer's Report shall be signed and sealed by the engineer.

28.8.2 The Association shall pay the cost of this initial Engineer's Report, and the Association may pay such cost from the Routine-Infrastructure-Maintenance Account.

28.8.3 A copy of the initial Engineer's Report shall be provided to all Owners and to the County Engineer within fifteen (15) days after it is completed.

28.8.4 Any needed repairs or replacements identified by the Engineer's Report shall be completed by the Declarant, at the Declarant's sole expense, prior to either the Declarant's Turnover of the Association to the Owners or transfer of control of subdivision infrastructure to the Association, whichever occurs first.

28.8.5 If Turnover of the Association and/or transfer of control of subdivision infrastructure occurs and any of the foregoing requirements of this Section 28.8 have not been fulfilled, the rights of the Association, any of its Members, and any and all Owners

to enforce these requirements against the Declarant shall survive the Turnover of the Association, with the prevailing party to be entitled to attorneys' fees and costs.

28.9 Inspections After Turnover. After Turnover of control of the Association, or transfer of control of the subdivision infrastructure, whichever occurs first:

28.9.1 The Association shall obtain an inspection of the streets, sidewalks and Surface Water Management System, including stormwater detention/retention areas, by a Florida-registered engineer experienced in subdivision construction no less frequently than once every three (3) years after the initial Engineer's Report.

28.9.2 Using good engineering practice, and in accordance with standards that may be established and revised from time to time by the County Engineer or his or her designee, or in accordance with such other standards as may be adopted from time to time by the Association, or in accordance with such standards as the Association's engineer may determine to be appropriate, the inspection shall determine the level of maintenance and repair (both scheduled and unscheduled) needed, the amounts of funding needed each year for the next three (3) years in the Routine-Infrastructure-Maintenance Account to pay for such maintenance and repair, and any repairs then needed. The inspection shall be written in a report format.

28.9.3 A copy of each inspection report shall be provided to each Owner within fifteen (15) days of completion of the report.

28.9.4 Within 180 days of receipt of each tri-annual inspection report, the Association shall complete all remedial work identified and recommended by the engineer.

28.10 Mandatory Deliveries to Certain Purchasers. Each initial purchaser of a Lot or Parcel for the personal or family use of the purchaser shall receive at or prior to the time the sales contract is executed a copy of (i) this Declaration and any amendments hereto; (ii) the current budget for the Association; (iii) a schedule disclosing the then-existing amounts of the periodic assessments for each of the Association accounts required by this Section 28; and (iv) the most recent year-end financial statement for the Association, and if none are then existing, a good faith estimate of the Association operating budget, along with a form to be signed by such initial purchaser acknowledging receipt of a copy of the Declaration, budget, financial statement or good faith estimate, and the original of the form acknowledging receipt of a copy of the Declaration, budget, periodic assessment schedule and the financial statement or good faith estimate is to be attached to the sales contract as an exhibit or appendix.

At the time of sale of a Home to the initial purchaser, a schedule disclosing the then-existing amounts of the periodic assessments for the Association accounts required by Section 28.2 hereof shall be provided to such purchaser. Such schedule must also state that the periodic assessments for the Association accounts required by Section 28.2 hereof do not include assessments for either the routine maintenance of or the capital repair and replacement of Association facilities not related to subdivision infrastructure (such as common area landscaping, entrance and exit gates, walls, swimming pools, clubhouses, parks, other recreation areas, etc.).

28.11 Gated Community Cost Disclosure Statement. No contract for the sale and purchase of a Lot or Home shall be effective until a Gated Community Cost Disclosure Statement (“Disclosure Statement”) in substantially the following form has been provided to and executed by such purchaser:

GATED COMMUNITY COST DISCLOSURE STATEMENT.

IF YOU ARE BUYING A LOT OR HOME IN A PRIVATE GATED COMMUNITY IN ORANGE COUNTY YOU SHOULD KNOW THESE BASIC FACTS:

1. ORANGE COUNTY IS PROHIBITED FROM PAYING TO MAINTAIN THE ROADS, SIDEWALKS AND DRAINAGE AND MAY NOT BE PERMITTED TO REMOVE STORM DEBRIS IN THIS COMMUNITY BECAUSE THE ROADS, SIDEWALKS, AND DRAINAGE ARE PRIVATE PROPERTY AND THE GENERAL PUBLIC CANNOT ACCESS THE COMMUNITY.

2. ALTHOUGH THE COST OF PROPERLY MAINTAINING AND REPAIRING ROADS, SIDEWALKS AND DRAINAGE SYSTEMS CAN BE VERY HIGH, ONLY THE OWNERS OF HOMES AND LOTS IN THIS COMMUNITY WILL SHARE THESE EXPENSES. TAX DOLLARS WILL NOT BE USED. THE MEMBERS MUST ALSO PAY FOR THE COST OF LIABILITY INSURANCE AND TRAFFIC ENFORCEMENT ON THE COMMUNITY’S ROADS.

3. UNDER FLORIDA LAW, NO REDUCTION IN YOUR TAX BURDEN WILL RESULT FROM LIVING IN THIS COMMUNITY.

4. MEMBERS OF THIS COMMUNITY, THROUGH THEIR MANDATORY HOMEOWNERS’ ASSOCIATION, MUST SET ASIDE ADEQUATE RESERVES TO PAY FOR STORM DEBRIS REMOVAL IN THE EVENT OF TORNADO, HURRICANE, OR OTHER MAJOR STORM EVENT, TO PROPERLY MAINTAIN, REPAIR AND REPLACE THE ROADS, SIDEWALKS AND DRAINAGE SYSTEM, AND MUST HAVE A PROFESSIONAL ENGINEER REGULARLY INSPECT THE ROADS, SIDEWALKS AND DRAINAGE SYSTEM AND REPORT WHAT WORK IS NECESSARY TO MAINTAIN AND/OR REPAIR THEM. THE MANDATORY HOMEOWNERS’ ASSOCIATION IS OBLIGATED TO DO THE NECESSARY WORK REPORTED AND THE MEMBERS OF THE HOMEOWNERS’ ASSOCIATION PAY FOR THE WORK THROUGH THEIR ASSESSMENTS.

5. THE EXTRA EXPENSES YOU INCUR TO MAINTAIN THE ROADS, SIDEWALKS AND DRAINAGE IN YOUR COMMUNITY ARE IN ADDITION TO OTHER EXPENSES CHARGED BY YOUR HOMEOWNERS’ ASSOCIATION TO PAY FOR PRIVATE RECREATIONAL, SECURITY AND OTHER AMENITIES AND SERVICES THE COMMUNITY MAY OFFER, INCLUDING THE COMMUNITY’S GATES.

6. AS WITH ANY ASSESSMENT, THE FAILURE OR INABILITY TO PAY MAY LEAD TO A LIEN BEING PLACED ON YOUR HOME. IF A LIEN IS PLACED AND FORECLOSED, YOU COULD LOSE YOUR HOME.

7. THE HOMEOWNERS' ASSOCIATION IS ALSO REQUIRED TO MAINTAIN LIABILITY INSURANCE ADEQUATE TO PAY CLAIMS FOR INJURIES AND PROPERTY DAMAGE ARISING ON THE PRIVATE ROADWAY, SIDEWALKS, DRAINAGE PONDS, AND OTHER COMMON AREAS IN THE NEIGHBORHOOD.

8. IF ORANGE COUNTY DETERMINES THAT THE COMMUNITY IS NOT MEETING ITS OBLIGATIONS, IT MAY REVOKE THE COMMUNITY'S PRIVILEGE TO CLOSE ITS GATES SO THAT THE ROADS IN THE COMMUNITY BECOME AVAILABLE FOR PUBLIC USE.

9. IF THE COMMUNITY FAILS TO MAINTAIN ITS ROADS, SIDEWALKS AND DRAINAGE SYSTEM, THE COUNTY MAY REQUIRE THAT THE GATES BE REMOVED. IN THE EVENT THE GATES ARE REMOVED, AND THE HOMEOWNERS' ASSOCIATION DEDICATES THE ROADS AND OTHER INFRASTRUCTURE TO THE COUNTY, ALL COSTS AND EXPENSES WHICH ORANGE COUNTY INCURS FOR SUCH MAINTENANCE ARE RECOVERABLE FROM THE COMMUNITY. FUNDS WHICH HAVE BEEN SET ASIDE BY THE COMMUNITY MAY BECOME THE PROPERTY OF ORANGE COUNTY, AND THE ROADS IN YOUR COMMUNITY SHALL PERMANENTLY BECOME OPEN TO THE PUBLIC. ORANGE COUNTY WILL NOT MAINTAIN YOUR RECREATIONAL, SECURITY AND OTHER AMENITIES UNDER ANY CIRCUMSTANCES.

10. BEFORE YOU SIGN A CONTRACT BE SURE THAT YOU RECEIVE WRITTEN INFORMATION ABOUT THE COSTS OF LIVING IN THIS COMMUNITY.

I HAVE READ AND UNDERSTAND THE DISCLOSURES PROVIDED IN THIS DISCLOSURE STATEMENT PRIOR TO EXECUTION OF A CONTRACT TO PURCHASE ANY LOT IN DEL WEBB OASIS SUBDIVISION.

The aforesaid Disclosure Statement shall be in conspicuous type and shall be contained in a single document which shall be provided to the purchaser separately from the contract for purchase and sale and the other documents required by Section 28.10 hereof. The disclosure type shall be conclusively deemed conspicuous if it is all uppercase letters and typed in at least 12 point typeface. In the case of sale and purchase of multiple Lots to a single purchaser, execution of a single Disclosure Statement is sufficient, provided that all Lots are listed on the disclosure statement either by legal description or by street address.

28.12 Indemnification Regarding Maintenance and Reconstruction. The Declarant (so long as Declarant retains control of the Board of the Association) and the Association hereby expressly hold the County and its officers and employees harmless from and indemnify the

County and its officers and employees against any cost of maintenance, repair and reconstruction of, or tort liability or award of damages related to or arising in connection with, the streets, sidewalks, Surface Water Management System (including stormwater retention/detention areas), and/or any other subdivision infrastructure.

28.13 No Discounting of Taxes. The Declarant and Association hereby notify all subsequent purchasers of any portion of the Property, including all Lots therein, that no Owner shall receive any discount in the payment of ad valorem real property taxes or any other taxes based upon the private ownership and maintenance of the streets, the Surface Water Management System and/or any other subdivision infrastructure improvements within the Property.

28.14 Defaults. Upon any default by the Association or the Declarant in any requirements of either this Section 28 or the requirements of the Code of Orange County pertaining to gated communities, the County, at its option and after due notice of its declaration of a default and a reasonable time to cure, may prohibit closure of the gates and, upon dedication or conveyance of the rights-of-way to the County, may assume responsibility for maintenance, using those Association monies on deposit for such purpose in the Routine-Infrastructure-Maintenance Account and the several Capital-Repair Accounts or, if no monies exist or if an insufficient amount exists, using such other revenues or financing methods as the County may elect, including (but not limited to) special assessments against the Lots, Parcels, and Tracts within DEL WEBB OASIS.

28.15 Liability Insurance. The Association shall carry an insurance policy insuring itself from liability for damages related to or arising in connection with the streets, sidewalks, Surface Water Management System (including detention/retention areas) and other subdivision infrastructure within DEL WEBB OASIS. The minimum amount of insurance required shall be established by resolution of the Board of County Commissioners of Orange County, Florida.

28.18 Enforcement.

28.18.1 The Association, any Member of the Association, and any and all Owners shall have the right, jointly and severally, to enforce against the Declarant the requirements of the Orange County Code pertaining to gated communities, and the provisions of this Section 28 with the prevailing party being entitled to attorneys' fees and costs.

28.18.2 Any Member of the Association and any and all Owners shall have the right to enforce against the Association the requirements of the Orange County Code

No person who holds an interest in a Lot only as security for the performance of an obligation shall be a Member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to ten (10) votes per Lot owned, provided, however, as to land which is annexed or added pursuant to the terms of this Declaration or any parcel designated as a Future Development Tract (or similar term) or set aside for future development under the Plat, Declarant shall be entitled to fifteen (15) votes per acre or fraction thereof contained within such parcel owned by Declarant until such time as the parcel is platted into Lots, whereupon Declarant shall be entitled to ten (10) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall have Voting Interest equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 Home Owned By Husband and Wife. Either the husband or wife (but not both) may exercise the Voting Interest with respect to a Lot. In the event the husband and wife cannot agree, neither may exercise the Voting Interest.

3.1.2 Trusts. In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the

Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the Member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a trustee, then Laura Jones shall be deemed the Member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the Member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot. In the event of a conflict between trustees, the Voting Interest for the Lot in question cannot be exercised. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the Member who can exercise the Voting Interest associated with such Lot.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. In the event of a conflict among general partners entitled to exercise a Voting Interest, the Voting Interest for such Lot cannot be exercised.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot. In the event that there is a conflict among such individuals, the Voting Interest for such Lot cannot be exercised.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or facsimile, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the Members (the “**Annual Members Meeting**”) shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the Members (a “**Special Members Meeting**”) may be called by a majority of the Board, or upon written request of thirty percent (30%) of the Voting Interests of the Members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Notice of each Members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association in any manner permitted by the Florida Statutes applicable to same. A copy of the notice shall be mailed to each Member entitled to vote, postage prepaid, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days’ notice will be deemed sufficient), unless otherwise required by Florida law. The notice shall be addressed to the Member’s address last appearing on the books of the Association. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, the Board may adopt from time to time, other procedures for giving notice to the Members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each Member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by Declarant’s presence, in person or by proxy, at any meeting. From and after the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the Members entitled to cast twenty percent (20%) of the total Voting Interests, subject to reduction as provided in Section 3.6 below. Notwithstanding any provision herein to the contrary, in the event that technology permits Members to participate in Member meetings and vote on matters electronically, then the Board shall have authority, without the joinder of any other party, to revise this provision to establish appropriate quorum requirements.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any Members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the Members present shall have power to adjourn the meeting and reschedule it on another date. If any such meeting is adjourned and rescheduled for failure to meet quorum requirements, the quorum requirement for the rescheduled meeting shall be one-half (1/2) of the quorum requirement for the adjourned meeting.

3.7 Action of Members. Decisions that require a vote of the Members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, Members may vote their Voting Interests in person or by proxy. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes,

as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Every proxy shall be revocable prior to the meeting for which it is given.

3.9 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of Members meetings when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons. Notwithstanding the foregoing sentence however, the Board elected by Members on the Turnover Date shall consist of three (3) persons and the Board elected by the Members at the first Annual Members Meeting after the Turnover Date and at each Annual Members Meeting thereafter shall consist of five (5) persons. Board members appointed or elected by Declarant need not be Members of the Association. Board members elected by Owners must be Members of the Association.

4.2 Pre-Turnover Director. Pursuant to Section 720.307(2), Florida Statutes Owners are entitled to elect one (1) member of the Board (the "**Pre-Turnover Director**") when fifty percent (50%) of all the Lots ultimately planned for DEL WEBB OASIS are conveyed to Owners. **[Confirm]** At such time as the Owners are entitled to elect a Pre-Turnover Director, the Association shall send a written notice to all Owners requesting nominations for same. If more than one nomination is received, the Association shall schedule a Special Members Meeting for the election of the Pre-Turnover Director in accordance with these Bylaws. If no Owners are willing to serve as a Pre-Turnover Director, a replacement Director shall be selected pursuant to Section 4.4 hereof to serve until the next Annual Members Meeting, at which time nominations will again be solicited for a Pre-Turnover Director to be elected in conjunction with the Annual Members Meeting. The term of the Pre-Turnover Director shall expire at the second (2nd) Annual Members Meeting after the election of the Pre-Turnover Director.

4.3 Term of Office. The term of office for the Pre-Turnover Director shall end on the Turnover Date. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the Members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term of two (2) years, and one (1) Director for a term of three (3) years. The candidate receiving the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the third highest of votes shall serve as Director for one (1) year. Provided, however, in the event Declarant exercises its right to elect a Post-Turnover Director (as such term is defined in Section 4.7 of these Bylaws), the Members shall elect two (2) Directors, with the candidate receiving the highest number of votes serving a term of three (3) years and the candidate receiving the second highest number of votes serving a term of two (2) years. Each Director's respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Post-Turnover Director appointed by Declarant shall expire on the date designated by Declarant, on the date

Declarant no longer holds at least five percent (5%) of the total number of Lots planned for DEL WEBB OASIS out for sale, or on the date of the first Annual Members Meeting after Turnover, whichever first occurs [the “**Post Turnover Director Term Expiration Date**”)]. At the first Annual Members Meeting after Turnover, the number of the Directors shall expand from three (3) Directors to five (5) Directors. At such meeting there shall be an election for the two (2) new Directors and to replace the Director whose terms expires at such meeting. The candidates receiving the highest and second highest number of votes shall serve a term of two (2) years. The candidate receiving the third highest number of votes shall serve a term of one (1) year. At all such Annual Members Meetings thereafter, the Members shall elect the appropriate number of Directors to replace the Directors whose terms have expired, and such Directors shall serve for a term of two (2) years.

4.4 Removal and Replacement. Any vacancy created by the resignation or removal of a Board member appointed by Declarant may be replaced by Declarant. Declarant may replace or remove any Board member appointed by Declarant in Declarant’s sole and absolute discretion. In the event of death, resignation or removal of a Director elected by the Members or the expiration of the term any Post Turnover Director on the Post Turnover Director Term Expiration Date (in each case a “Removed Director”), the remaining Directors may fill such vacancy and such replacement Director shall serve until the end of the term of the Removed Director or in the case of a replacement for the Post Turnover Director, until the next Annual Members Meeting. Directors may be removed with or without cause by the vote or agreement in writing of Members holding a majority of the Voting Interests.

4.5 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.6 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.7 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. From and after the Turnover, or such earlier date determined by Declarant in its sole and absolute discretion, the Members shall elect all Directors of the Association at or in conjunction with the Annual Members Meeting. Notwithstanding the foregoing, from and after Turnover until the Post Turnover Director Term Expiration Date, Declarant, at Declarant’s sole option, may elect one (1) member of the Board (the “**Post Turnover Director**”). Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

4.8 Election. Election to the Board shall be by secret written ballot, unless unanimously waived by all members present. The persons receiving the most votes shall be elected. Cumulative voting is not permitted.

5. Meeting of Directors.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be action of the Board. Directors may attend meetings telephonically. When some or all Directors meet by telephone conference, those Directors attending by telephone conference shall be counted toward obtaining a quorum and may vote by telephone. A telephone speaker shall be utilized at the noticed location of the meeting so that the conversation of those Directors may be heard by the Board, as well as any Member present at the meeting. Members may not attend Board meetings telephonically.

5.5 Open Meetings. Meetings of the Board shall be open to all Members except that meetings between the Board or a committee established by the Board and the Association's attorney to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters are not required to be open to Members other than the Directors.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to Members in any other manner provided by Florida Statute. By way of example, and not of limitation, notice may be given in any newsletter distributed to the Members. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which the annual budget of the Association will be approved or at which an Assessment will be levied must be provided to all Members at least fourteen (14) days before the meeting, which notice shall include a copy of the

proposed budget and a statement that Assessments will be considered at the meeting and the nature of the Assessments.

5.8 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of Board meetings when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

6. Powers and Duties of the Board.

6.1 Powers. The Board shall, subject to the limitations and reservations set forth in the Declaration and Articles, have the powers reasonably necessary to manage, operate, maintain and discharge the duties of the Association, including, but not limited to, the power to cause Association to do the following:
