NOTICE

Application Type: Environmental Resource Permit
Application No. 210308-5538
Project Name: Fontana
County: Osceola

The South Florida Water Management District is currently processing an application for the above reference project. If you have comments or objections concerning the project, please submit them to this office within 30 days of receipt of this notice. Refer to the application number referenced above in all correspondence to help facilitating processing. Comments may be submitted electronically at www.sfwmd.gov/ePermitting. Select the Additional Info Submittals link, enter the application number and attach your comments.

This is also an opportunity for applicable State agencies to concur with or object to the proposed project under the federal consistency provisions of the Coastal Zone Management Act. Findings of inconsistency must describe how the project conflicts with your agency's statutory authorities in the Florida Coastal Management Program and provide alternative measures, if any, which would make the project consistent. Commenting agencies must provide a copy of any letters of inconsistency to the Florida Coastal Management Administrator, Department of Environmental Protection, 3900 Commonwealth Boulevard, Mail Station 47, Tallahassee, Florida 32399-3000.

Application documents are available online and can be accessed through the District's e-Permitting website at www.sfwmd.gov/ePermitting. Forwarded via e-mail:
