

# Appendix 8B-1c: Time Series and Box Plots for Non-ECP Water Quality Monitoring Data Exhibiting Excursions from Class III Numeric Standards for Water Year 2002

## KEY TO ABBREVIATIONS

**WY1:** Water Year 1 (May 1, 1997 through April 30, 1998)

**WY2:** Water Year 2 (May 1, 1998 through April 30, 1999)

**WY3:** Water Year 3 (May 1, 1999 through April 30, 2000)

**WY4:** Water Year 4 (May 1, 2000 through April 30, 2001)

**WY5:** Water Year 5 (May 1, 2001 through April 30, 2002)

## Appendix Note:

The graphs in this section correspond to non-ECP water quality monitoring sites exhibiting excursions during Water Year 5, as shown in **Table 3, Appendix 8B-1**. The graph sequencing follows the station and parameter order shown in **Table 3**. The non-ECP structure locations are depicted in **Figure 1, Appendix 8B-1**.

Additionally, the graphs are identified by monitoring site name. In most cases the monitoring site name corresponds to the structure. If the monitoring site is a surrogate location for a structure, then the structure name(s) is/are shown in parentheses below the monitoring site name.
