**Editorial and Production Team:** The authors' products were organized, edited, and formatted by an editorial and production team of skilled professionals. Stacey Efron, SFER Production Manager, plays a remarkable role in leading the team's efforts. The exceptional teamwork and productivity of these District staff are respectfully acknowledged: Ken Chen, Christopher King, Patrick Lynch, Trudy Morris, Kathy Ronan, and Diane Smith. The technical editor, Wendy Wagman (Metcalf & Eddy), is also thankfully acknowledged for her significant contribution to this report.

**Project Team:** David Gilpin-Hudson, Lead Planner in the District's Finance and Administration Department, serves as the project manager of the *2006 South Florida Environmental Report – Volume II*. Overall, this large, multidisciplinary document could not be produced without the thoughtful oversight of senior management, particularly Doug Bergstrom. The guidance of the 2006 SFER Project Management Oversight Group – Debra Azeredo, Aaron Basinger, Douglas Bergstrom, Alejandro Perez, and Steve Reel – is also respectfully acknowledged. Project managers and chapter authors are thoughtfully recognized for updating the Volume II Consolidated Project Report Database.
