2	Current 2016 Budget Year One-Time Savings for New Works Projects Operations - These savings are due to L-8 FEB not being fully operational for the entire year as well as Site 1 not being transferred from the USACE to the District as planned in the 2016 budget.	\$1,100,000
3	2017 Budget Year Personnel Recurring Savings - With a reduction of staff complement to 1475 positions.	\$7,100,000
4	Debt Service Interest Payment Reduction Payment - 2017 Debt service payment due to refinancing is \$3.1M less than the 2016 payment. - \$1M of Certificates of Participation (COPS) Proceeds Unused Balance that supplements the Ad Valorem budget for the debt service payment.	\$4,100,000
5	2017 Budget Year Operations & Maintenance of 2016 New Works on Line	\$1,300,000

Cost Avoidance and Initiatives Estimate - Continued

6	Property, Crime And Property Insurance Premium Reductions Due to Change in Deductible	\$46,000
7	298 Districts "Tax" Payments	\$800,000
8	Managers Health Insurance Participation - Currently 88 managers are not contributing and the District is funding 100% of their premiums. The proposal is for managers to pay the premiums amount paid by State senior managers.	\$170,000
9	Discontinue the Retiree 2% Subsidy - Proposal to eliminate the 2% subsidy that the District is funding for employees that retired between 2007-2011. The \$275,000 represents implementation for January 2017-September 2017. Full budget year is estimated at \$370,000.	\$ 275,000
10	Retiree Health Insurance Participation at Full Cost - Overall the District is subsidizing 271 retirees' and 134 dependents medical insurance premiums in addition to the 2% subsidy. The District has no obligation to subsidize retiree's premiums. The only obligation the District has is to provide access for retirees to the same medical insurance as regular employees. This proposal is for retirees to pay their full medical insurance premiums. The \$676,000 represents implementation for January 2017-September 2017. Full budget year is estimated at \$1,000,000. Non-Management employees will pay premiums at current levels.	\$ 676,000
